

Snam Rete Gas: allowed revenues for 2018 approved

- **Year 2018 allowed revenues of transport, dispatching and metering business approved**
- **RAB for the transport business: € 16 billion**

San Donato Milanese, 5 December 2017 – The Regulatory Authority for Electricity Gas and Water, with resolution no. 757/2017/R/gas, has approved the allowed revenues of year 2018 for the transport, dispatching and metering businesses, which have been set at 1,947 million euro.

Actual revenues for 2018 will have to take into account the actual transported volumes compared to the reference volume set at 67,2 billion cubic meters.

RAB used to calculate the 2018 revenues for the transport, dispatching and metering businesses has been set at 16 billion euros and includes investments carried out in 2017.

In order to increase the transparency of the Italian gas system for the benefit of all stakeholders, further detailed information are published on the Company's website¹ according to Regulation (EU) no. 2017/460 of 16 March 2017.

Resolutions no. 757/2017/R/gas, 794/2017/R/gas and 795/2017/R/gas are available on web site of the Regulatory Authority for Electricity Gas and Water www.autorita.energia.it.
