 - (b) to deliver the Definitive Notes to or to the order of Euroclear and/or Clearstream, Luxembourg.

If Definitive Notes are issued and the Agent informs the Issuer that it is unable to perform all or some of its obligations under this Agreement, the Issuer shall forthwith appoint an additional agent in accordance with Clause 2.1 which is able to perform the relevant obligations.

- 4.4 Upon any exchange of all or a part of an interest in a Temporary Global Note for an interest in a Permanent Global Note or upon any exchange of all or a part of an interest in a Global Note for Definitive Notes, the Agent shall (i) procure that the relevant Global Note shall, if it is a CGN, be endorsed by or on behalf of the Agent to reflect the reduction of its nominal amount by the aggregate nominal amount so exchanged and, where applicable, the Permanent Global Note shall be endorsed by or on behalf of the Agent to reflect the increase in its nominal amount as a result of any exchange for an interest in the Temporary Global Note or (ii) in the case of any Global Note which is a NGN, instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such exchange. Until exchanged in full, the holder of an interest in any Global Note shall in all respects be entitled to the same benefits under this Agreement as the holder of Definitive Notes and Coupons authenticated and delivered under this Agreement, subject as set out in the Conditions. The Agent is authorised on behalf of the Issuer and instructed (a) in the case of any Global Note which is a CGN, to endorse or to arrange for the endorsement of the relevant Global Note to reflect the reduction in the nominal amount represented by it by the amount so exchanged and, if appropriate, to endorse the Permanent Global Note to reflect any increase in the nominal amount represented by it and, in either case, to sign in the relevant space on the relevant Global Note recording the exchange and reduction or increase, (b) in the case of any Global Note which is a NGN, to instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such exchange and (c) in the case of a total exchange, to cancel or arrange for the cancellation of the relevant Global Note.
- 4.5 The Agent shall notify the Issuer immediately after it receives a request for the issue of Definitive Notes in accordance with the provisions of a Global Note and the aggregate nominal amount of the Global Note to be exchanged.
- 4.6 The Issuer undertakes to deliver to the Agent sufficient numbers of executed Definitive Notes with, if applicable, Coupons and Talons attached, to enable the Agent to comply with its obligations under this Agreement.

5. Determination of End of Distribution Compliance Period

- 5.1 In the case of a Tranche in respect of which there is only one Dealer, the Agent will determine the end of the Distribution Compliance Period in respect of the Tranche as being the fortieth day following the date determined and certified by the relevant Dealer to the Agent as being the date on which distribution of the Notes of that Tranche was completed.
- 5.2 In the case of a Tranche in respect of which there is more than one Dealer but which is not issued on a syndicated basis, the Agent will determine the end of the Distribution Compliance Period in respect of the Tranche as being the fortieth day following the last of the dates determined and certified by all the relevant Dealers to the Agent as being the respective dates on which distribution of the Notes of that Tranche purchased by each Dealer was completed.

- 5.3 In the case of a Tranche issued on a syndicated basis, the Agent will determine the end of the Distribution Compliance Period in respect of the Tranche as being the fortieth day following the date determined and certified by the Lead Manager to the Agent as being the date on which distribution of the Notes of that Tranche was completed.
- 5.4 Immediately after it determines the end of the Distribution Compliance Period in respect of any Tranche, the Agent shall notify the determination to the Issuer, Euroclear, Clearstream, Luxembourg and the relevant Dealer or Lead Manager, as the case may be.

6. Terms of Issue

- 6.1 The Agent shall cause all Notes delivered to and held by it under this Agreement to be maintained in safe custody and shall ensure that Notes are issued only in accordance with the provisions of this Agreement, the Conditions and, where applicable, the relevant Global Notes.
- 6.2 Subject to the procedures set out in the Procedures Memorandum, for the purposes of Clause 3, the Agent is entitled to treat a telephone or facsimile communication from a person purporting to be (and whom the Agent believes in good faith to be) the authorised representative of the Issuer named in the list referred to in, or notified pursuant to, subclause 19.7, or any other list duly provided for the purpose by the Issuer to the Agent, as sufficient instructions and authority of the Issuer for the Agent to act in accordance with Clause 3.
- 6.3 In the event that a person who has signed a master Global Note held by the Agent on behalf of the Issuer ceases to be authorised as described in subclause 19.7, the Agent shall (unless the Issuer gives notice to the Agent that Notes signed by that person do not constitute valid and binding obligations of the Issuer or otherwise until replacements have been provided to the Agent) continue to have authority to issue Notes signed by that person, and the Issuer warrants to the Agent that those Notes shall be valid and binding obligations of the Issuer. Promptly upon any person ceasing to be authorised, the Issuer shall provide the Agent with replacement master Global Notes and the Agent shall, upon receipt of such replacements, cancel and destroy the master Global Notes held by it which are signed by that person and shall provide the Issuer with a certificate of destruction, specifying the master Global Notes so cancelled and destroyed.
- 6.4 If the Agent pays an amount (the “**Advance**”) to the Issuer on the basis that a payment (the “**Payment**”) has been or will be received from a Dealer and if the Payment is not received by the Agent on the date the Agent pays the Issuer, the Issuer shall promptly repay to the Agent the Advance and shall pay interest on the Advance (or the unreimbursed portion thereof) from (and including) the date the Advance is made to (but excluding) the earlier of repayment of the Advance or receipt by the Agent of the Payment at a rate quoted at that time by the Agent as its cost of funding the Advance *provided that* evidence of the basis of such rate is given to the Issuer. For the avoidance of doubt, the Agent shall not be obliged to pay any amount to the Issuer if it has not received satisfactory confirmation that it is to receive the amount from a Dealer.
- 6.5 Except in the case of issues where the Agent does not act as receiving bank for the Issuer in respect of the purchase price of the Notes being issued, if on the Issue Date a Dealer does not pay the full purchase price due from it in respect of any Note (the “**Defaulted Note**”) and, as a result, the Defaulted Note remains in the Agent’s distribution account with Euroclear and/or Clearstream, Luxembourg after the Issue Date, the Agent will continue to hold the Defaulted Note to the order of the Issuer. The Agent shall notify the Issuer immediately of the failure of the Dealer to pay the full purchase price due from it in respect of any Defaulted Note and, subsequently, shall (a) notify the Issuer immediately on receipt from the Dealer of the full

purchase price in respect of any Defaulted Note and (b) pay to the Issuer the amount so received.

7. Payments

7.1 The Issuer will:

- (a) before 10.00 a.m. (Central European time), on each date on which any payment in euro in respect of any Note becomes due under the Conditions, transfer to an account specified by the Agent an amount in euro sufficient for the purposes of the payment in funds settled through TARGET2;
- (b) before 10.00 a.m. (local time in the relevant principal financial centre of the country of the relevant currency), on each date on which any payment in GBP or USD in respect of any Note becomes due under the Conditions, transfer to an account specified by the Agent an amount in such currency sufficient for the purposes of such payment in funds settled through such payment system as the Agent and the Issuer may agree;
- (c) prior to the issuance of the relevant Notes, consult and agree with the Agent, in relation to the settlement and timing for payment procedures in respect of any Notes for which the relevant currency is a currency other than euro, GBP or USD.

In this sub-clause 7.1, the date on which a payment in respect of the Notes becomes due means the first date on which the holder of a Note or Coupon is entitled to receive such payment under the Conditions, but disregarding the necessity for it to be a business day in any particular place of presentation.

7.2 Any funds paid by or by arrangement with the Issuer to the Agent under subclause 7.1 shall be held in the relevant account referred to in subclause 7.1 for payment to the Noteholders or Couponholders, as the case may be, until any Notes or matured Coupons become void under Condition 8 (*Prescription*). In that event the Agent shall repay to the Issuer sums equivalent to the amounts which would otherwise have been repayable on the relevant Notes or Coupons.

7.3 The Issuer will ensure that no later than 10.00 a.m. (Central European time) on the second Business Day (as defined below) immediately preceding the date on which any payment is to be made to the Agent under subclause 7.1, the Agent shall receive a payment confirmation by fax or authenticated SWIFT message from the paying bank of the Issuer. For the purposes of this subclause 7.3, “**Business Day**” means a day on which commercial banks and foreign exchange markets settle payments and are open for general business in the Republic of Italy and Luxembourg.

7.4 The Agent shall notify each of the other Paying Agents immediately:

- (a) if it has not by the relevant date set out in subclause 7.1 received unconditionally the full amount in the Specified Currency required for the payment; and
- (b) if it receives unconditionally the full amount of any sum payable in respect of the Notes or Coupons after that date.

The Agent shall, at the expense of the Issuer, immediately on receiving any amount as described in subclause 7.4(b), cause notice of that receipt to be published under Condition 13 (*Notices*).

7.5 The Agent shall ensure that payments of both principal and interest in respect of a Temporary Global Note will only be made if certification of non-U.S. beneficial ownership as required

by U.S. Treasury regulations has been received from Euroclear and/or Clearstream, Luxembourg in accordance with the terms of the Temporary Global Note.

- 7.6 Unless it has received notice under subclause 7.4(a), each Paying Agent shall pay or cause to be paid all amounts due in respect of the Notes on behalf of the Issuer in the manner provided in the Conditions. If any payment provided for in subclause 7.1 is made later than as specified in such subclause but otherwise in accordance with the provisions of this Agreement, the relevant Paying Agent shall nevertheless make payments in respect of the Notes as stated above promptly following receipt by it of such payment.
- 7.7 If for any reason the Agent considers in its sole discretion (acting reasonably) that the amounts to be received by it under subclause 7.1 will be, or the amounts actually received by it are, insufficient to satisfy all claims in respect of all payments then falling due in respect of the Notes, no Paying Agent shall be obliged to pay any such claims until the Agent has received the full amount of all such payments.
- 7.8 Without prejudice to subclauses 7.6 and 7.7, if the Agent pays any amounts to the holders of Notes or Coupons or to any other Paying Agent at a time when it has not received payment in full in respect of the relevant Notes in accordance with subclause 7.1 (the excess of the amounts so paid over the amounts so received being the Shortfall), the Issuer will, in addition to paying amounts due under subclause 7.1, pay to the Agent on demand interest (at a rate which represents the Agent's cost of funding the "Shortfall") on the Shortfall (or the unreimbursed portion thereof) until the receipt in full by the Agent of the Shortfall.
- 7.9 The Agent shall on demand promptly reimburse each other Paying Agent for payments in respect of Notes properly made by each Paying Agent in accordance with this Agreement and the Conditions unless the Agent has notified the relevant Paying Agent, prior to its opening of business on the due date of a payment in respect of the Notes, that the Agent does not expect to receive sufficient funds to make payment of all amounts falling due in respect of the Notes.
- 7.10 Whilst any Notes are represented by Global Notes, all payments due in respect of the Notes shall be made to, or to the order of, the holder of the Global Notes, subject to and in accordance with the provisions of the Global Notes. On the occasion of each payment, (i) in the case of a CGN, the Paying Agent to which such Global Note was presented for the purpose of making the payment shall cause the appropriate Schedule to the relevant Global Note to be annotated so as to evidence the amounts and dates of the payments of principal and/or interest as applicable or (ii) in the case of any Global Note which is a NGN, the Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such payment.
- 7.11 If the amount of principal and/or interest then due for payment is not paid in full (otherwise than by reason of a deduction required by law to be made, or by reason of a FATCA Withholding or a certification required by the terms of a Note not being received), (i) the Paying Agent to which a Note or Coupon (as the case may be) is presented for the purpose of making the payment shall, unless the Note is a NGN, make a record of the shortfall on the relevant Note or Coupon and the record shall, in the absence of manifest error, be *prima facie* evidence that the payment in question has not to that extent been made or (ii) in the case of any Global Note which is a NGN, the Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such shortfall in payment.
- 7.12 The Issuer shall notify the Agent in the event that it determines that any payment to be made by any Paying Agent under the Notes is a payment which could be subject to FATCA Withholding if such payment were made to a recipient that is generally unable to receive payments free from FATCA Withholding, and the extent to which the relevant payment is so treated, provided, however, that the Issuer's obligation under this Clause 7.12 shall apply only to the extent that such payments are so treated by virtue of characteristics of the Issuer, the Notes, or both.

- 7.13 If the Issuer determines in its sole discretion that it will be required to withhold or deduct any FATCA Withholding in connection with any payment due on any Notes, then the Issuer will be entitled to re-direct or reorganise any such payment in any way that it sees fit in order that the payment may be made without a FATCA Withholding, *provided that* any such redirection or reorganisation of any payment is made through a recognised institution of international standing and such payment is otherwise made in accordance with this Agreement. The Issuer will promptly notify the Agent of any such redirection or reorganisation.

8. Determinations and Notifications in Respect of Notes and Interest Determination

8.1 Determinations and Notifications

- (a) The Agent shall, unless otherwise specified in the applicable Final Terms, make all the determinations and calculations which it is required to make under the Conditions, all subject to and in accordance with the Conditions.
- (b) The Agent shall not be responsible to the Issuer or to any third party as a result of the Agent having acted on any quotation given by any Reference Bank, CMS Reference Bank and/or Constant Maturity BTP Reference Bank which subsequently may be found to be incorrect.
- (c) The Agent, in the case of Floating Rate Notes, other than CMS Linked Interest Notes and Constant Maturity BTP Linked Interest Notes, and the Calculation Agent, in the case of Floating Rate Notes which are CMS Linked Interest Notes and Constant Maturity BTP Linked Interest Notes and Inflation Linked Interest Notes, shall promptly notify (and confirm in writing to) the Issuer, the other Paying Agents and (in respect of a Series of Notes listed on a Stock Exchange) the relevant Stock Exchange by no later than the first day of each Interest Period of each Rate of Interest, Interest Amount and Interest Payment Date and all other amounts, rates and dates which it is obliged to determine or calculate under the Conditions as soon as practicable after their determination and of any subsequent amendments to them under the Conditions.
- (d) The Agent shall use its reasonable endeavours to cause each Rate of Interest, Interest Amount and Interest Payment Date and all other amounts, rates and dates which it is obliged to determine or calculate under the Conditions to be published as required in accordance with the Conditions as soon as possible after their determination or calculation.
- (e) If the Agent does not at any time for any reason determine and/or calculate and/or publish the Rate of Interest, Interest Amount and/or Interest Payment Date in respect of any Interest Period or any other amount, rate or date as provided in this clause, it shall immediately notify the Issuer and the other Paying Agents of that fact.
- (f) Determinations with regard to Notes (including, without limitation, Inflation Linked Notes, CMS Linked Interest Notes and Constant Maturity BTP Linked Interest Notes) required to be made by a Calculation Agent specified in the applicable Final Terms shall be made in the manner so specified. Unless otherwise agreed between the Issuer and the relevant Dealer or the Lead Manager, as the case may be, or unless the Agent is the Calculation Agent (in which case the provisions of this Agreement shall apply), those determinations shall be made on the basis of a Calculation Agency Agreement substantially in the form of Schedule 1. Notes of any Series may specify additional duties and obligations of any Paying Agent, the performance of which will be agreed between the Issuer and the relevant Paying Agent prior to the relevant Issue Date.

8.2 Interest determination

(a) Floating Rate Notes other than CMS Linked Interest Notes and Constant Maturity BTP Linked Interest Notes

- (i) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:
 - (A) the offered quotation; or
 - (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum), for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at the Specified Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one highest quotation, one only of those quotations) and the lowest (or, if there is more than one lowest quotation, one only of those quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of the offered quotations.
- (ii) If the Relevant Screen Page is not available or if, in the case of subclause 8.2(a)(i)(A), no offered quotation appears or, in the case of subclause 8.2(a)(i)(B), fewer than three offered quotations appear, in each case as at the Specified Time, the Agent shall request each of the Reference Banks to provide the Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent.
- (iii) If on any Interest Determination Date one only or none of the Reference Banks provides the Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or, if fewer than two of the Reference Banks provide the Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or

banks is or are in the opinion of the Issuer suitable for the purpose) informs the Agent it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), *provided that*, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

(b) **Floating Rate Notes which are CMS Linked Interest Notes**

- (i) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be determined by the Calculation Agent by reference to the following formula where CMS Reference Rate is specified as the Reference Rate in the applicable Final Terms:

CMS Rate plus Margin

For this purpose, “**CMS Rate**” shall mean the applicable swap rate for swap transactions in the Reference Currency with a maturity of the Designated Maturity, expressed as a percentage, which appears on the Relevant Screen Page as at the Specified Time on the Interest Determination Date in question, all as determined by the Calculation Agent.

- (ii) If the Relevant Screen Page is not available, the Calculation Agent shall request each of the CMS Reference Banks to provide the Calculation Agent with its quotation for the Relevant Swap Rate at approximately the Specified Time on the Interest Determination Date in question. If at least three of the CMS Reference Banks provide the Calculation Agent with such quotation, the CMS Rate for such Interest Period shall be the arithmetic mean of such quotations, after eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest).

For this purpose:

“**Relevant Swap Rate**” means:

- (A) where the Reference Currency is Euro, the mid-market annual swap rate determined on the basis of the arithmetic mean of the bid and offered rates for the annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating euro interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/360 day count basis, is equivalent to EUR-EURIBOR-Reuters (as defined in the ISDA Definitions) with a designated maturity determined by the Agent by reference to standard market practice and/or the ISDA Definitions;
- (B) where the Reference Currency is Sterling, the mid-market semi-annual swap rate determined on the basis of the arithmetic mean of

the bid and offered rates for the semi-annual fixed leg, calculated on an Actual/365 (Fixed) day count basis, of a fixed-for-floating Sterling interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/365 (Fixed) day count basis, is equivalent (A) if the Designated Maturity is greater than one year, to GBP-LIBOR-BBA (as defined in the ISDA Definitions) with a designated maturity of six months or (B) if the Designated Maturity is one year or less, to GBP-LIBOR- BBA with a designated maturity of three months;

- (C) where the Reference Currency is United States dollars, the mid-market semi-annual swap rate determined on the basis of the mean of the bid and offered rates for the semi-annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating United States dollar interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, calculated on an Actual/360 day count basis, is equivalent to USD-LIBOR-BBA (as defined in the ISDA Definitions) with a designated maturity of three months; and
- (D) where the Reference Currency is any other currency or if the Final Terms specify otherwise, the mid-market swap rate as determined in accordance with the applicable Final Terms.

- (iii) If on any Interest Determination Date less than three or none of the CMS Reference Banks provides the Calculation Agent with such quotations as provided in the preceding paragraph, the CMS Rate shall be determined by the Calculation Agent in good faith on such commercial basis as considered appropriate by the Calculation Agent in its discretion, in accordance with standard market practice.

(c) **Floating Rate Notes which are Constant Maturity BTP Linked Interest Notes**

- (i) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and Constant Maturity BTP Rate is specified as the Reference Rate in the applicable Final Terms, the Rate of Interest for each Interest Period will, subject as provided below, be the gross yield before taxes of Italian government bonds with a maturity of the Designated Maturity, expressed as a percentage, which appears on the Relevant Screen Page (or such replacement page on that service which displays the information) at the Specified Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent.
- (ii) If on any Interest Determination Date the Relevant Screen Page (or such replacement page on that service which displays the information) is not available, the Constant Maturity BTP Rate for such Interest Determination Date shall be determined by the Calculation Agent, acting in good faith and in a commercially reasonable manner, as the gross yield before taxes based on the mid-market price for Italian government bonds with a maturity of the Designated Maturity, or as close to the Designated Maturity as considered

appropriate by the Calculation Agent in its discretion, and in a Representative Amount at the Specified Time on the Interest Determination Date in question and shall be the arithmetic mean of quotations obtained from three Constant Maturity BTP Reference Banks selected by the Calculation Agent (from five such Constant Maturity BTP Reference Banks after eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest)).

- (iii) If on any Interest Determination Date fewer than three or none of the Constant Maturity BTP Reference Banks provides the Calculation Agent with quotations for such prices as provided in the preceding paragraph, the Constant Maturity BTP Rate shall be determined by the Calculation Agent in good faith on such commercial basis as considered appropriate by the Calculation Agent in its discretion, in accordance with standard market practice.

(d) **Other Notes**

In case of Notes other than Floating Rate Notes, the Rate of Interest payable from time to time for each Interest Period will be determined as provided in the Conditions.

9. Notice of any Withholding or Deduction

- 9.1 If the Issuer is, in respect of any payment, compelled to withhold or deduct any amount for or on account of taxes, duties, assessments or governmental charges as specifically contemplated under the Conditions, it shall give notice of that fact to the Agent as soon as it becomes aware of the requirement to make the withholding or deduction and shall give to the Agent such information as it shall require to enable it to comply with the requirement.
- 9.2 If any Paying Agent is, in respect of any payment of principal or interest in respect of the Notes, compelled to withhold or deduct any amount for or on account of any taxes, duties, assessments or governmental charges as specifically contemplated under the Conditions, other than arising under subclause 9.1 or by virtue of the relevant holder failing to satisfy any certification or other requirement in respect of its Notes, it shall give notice of that fact to the Issuer and the Agent as soon as it becomes aware of the compulsion to withhold or deduct.

10. Duties of the Paying Agents in Connection with Early Redemption

- 10.1 If the Issuer decides to redeem any Notes for the time being outstanding before their Maturity Date in accordance with the Conditions, the Issuer shall give notice of the decision to the Agent stating the date on which the Notes are to be redeemed and the nominal amount of Notes to be redeemed not less than 15 days before the date on which the Issuer will give notice to the Noteholders in accordance with the Conditions of the redemption in order to enable the Agent to carry out its duties in this Agreement and in the Conditions.
- 10.2 If some only of the Notes are to be redeemed, the Agent shall, in the case of Definitive Notes, make the required drawing in accordance with the Conditions but shall give the Issuer reasonable notice of the time and place proposed for the drawing and the Issuer shall be entitled to send representatives to attend the drawing and shall, in the case of Notes in global form, co-ordinate the selection of Notes to be redeemed with Euroclear and Clearstream, Luxembourg, all in accordance with the Conditions.
- 10.3 The Agent shall publish the notice required in connection with any redemption and shall, if applicable, at the same time also publish a separate list of the serial numbers of any Notes in definitive form previously drawn and not presented for redemption. The redemption notice shall specify the date fixed for redemption, the redemption amount, the manner in which

redemption will be effected and, in the case of a partial redemption of Definitive Notes, the serial numbers of the Notes to be redeemed. The notice will be published in accordance with the Conditions. The Agent will also notify the other Paying Agents of any date fixed for redemption of any Notes.

- 10.4 Each Paying Agent will keep a stock of Put Notices and will make them available on demand to holders of Definitive Notes, the Conditions of which provide for redemption at the option of Noteholders. Upon receipt of any Note deposited in the exercise of a put option in accordance with the Conditions, the Paying Agent with which the Note is deposited shall hold the Note (together with any Coupons and Talons relating to it deposited with it) on behalf of the depositing Noteholder (but shall not, save as provided below, release it) until the due date for redemption of the relevant Note consequent upon the exercise of the option, when, subject as provided below, it shall present the Note (and any such unmatured Coupons and Talons) to itself for payment of the amount due together with any interest due on the date of redemption in accordance with the Conditions and shall pay those moneys in accordance with the directions of the Noteholder contained in the relevant Put Notice. If, prior to the due date for its redemption, an Event of Default has occurred and is continuing or the Note becomes immediately due and repayable or if upon due presentation payment of the redemption moneys is improperly withheld or refused, the Paying Agent concerned shall post the Note (together with any such Coupons and Talons) by uninsured post to, and at the risk of, the relevant Noteholder (unless the Noteholder has otherwise requested and paid the costs of insurance to the relevant Paying Agent at the time of depositing the Notes) at the address given by the Noteholder in the relevant Put Notice. At the end of each period for the exercise of any put option, each Paying Agent shall promptly notify the Agent of the principal amount of the Notes in respect of which the option has been exercised with it together with their serial numbers and the Agent shall promptly notify those details to the Issuer.

11. Receipt and Publication of Notices

- 11.1 Immediately after it receives a demand or notice from any Noteholder in accordance with the Conditions, the Agent shall forward a copy to the Issuer.
- 11.2 On behalf of and at the request and expense of the Issuer, the Agent shall cause to be published all notices required to be given by the Issuer to the Noteholders in accordance with the Conditions. In case of any notice required to be published in a newspaper, the Agent must be given at least 10 days' prior notice.

12. Cancellation of Notes, Coupons and Talons

- 12.1 All Notes which are redeemed, all Global Notes which are exchanged in full, all Coupons which are paid and all Talons which are exchanged shall be cancelled by the Paying Agent by which they are redeemed, exchanged or paid. In addition, the Issuer shall immediately notify the Agent in writing of all Notes which are purchased on behalf of the Issuer or any of its Subsidiaries and all such Notes surrendered to a Paying Agent for cancellation, together (in the case of Definitive Notes) with all unmatured Coupons or Talons (if any) attached to them or surrendered with them, shall be cancelled by the Paying Agent to which they are surrendered. Each of the Paying Agents shall give to the Agent details of all payments made by it and shall deliver all cancelled Notes, Coupons and Talons to the Agent or as the Agent may specify.

- 12.2 The Agent shall deliver to the Issuer as soon as reasonably practicable and in any event within three months after the date of each repayment, payment, cancellation or replacement, as the case may be, a certificate stating:
- (a) the aggregate nominal amount of Notes which have been redeemed and the aggregate amount paid in respect of them;
 - (b) the number of Notes cancelled together (in the case of Notes in definitive form) with details of all unmatured Coupons or Talons attached to them or delivered with them;
 - (c) the aggregate amount paid in respect of interest on the Notes;
 - (d) the total number by maturity date of Coupons and Talons cancelled; and
 - (e) (in the case of Definitive Notes) the serial numbers of the Notes.
- 12.3 The Agent shall destroy all cancelled Notes, Coupons and Talons (in the case of Global Notes, upon receipt of the disposal authorisation from Euroclear or Clearstream, Luxembourg) and, immediately following their destruction, send to the Issuer a certificate stating the serial numbers of the Notes (in the case of Notes in definitive form) and the number by maturity date of Coupons and Talons destroyed.
- 12.4 Without prejudice to the obligations of the Agent under subclause 12.2, the Agent shall keep a full and complete record of all Notes, Coupons and Talons (other than serial numbers of Coupons) and of their redemption, purchase on behalf of the Issuer or any of its Subsidiaries and cancellation, payment or replacement (as the case may be) and of all replacement Notes, Coupons or Talons issued in substitution for mutilated, defaced, destroyed, lost or stolen Notes, Coupons or Talons. The Agent shall in respect of the Coupons of each maturity retain (in the case of Coupons other than Talons) until the expiry of ten years from the Relevant Date in respect of such Coupons and (in the case of Talons) indefinitely either all paid or exchanged Coupons of that maturity or a list of the serial numbers of Coupons of that maturity still remaining unpaid or unexchanged. The Agent shall at all reasonable times make the record available to the Issuer and any persons authorised by it for inspection and for the taking of copies of it or extracts from it.
- 12.5 The Agent is authorised by the Issuer and instructed to (a) in the case of any Global Note which is a CGN, to endorse or to arrange for the endorsement of the relevant Global Note to reflect the reduction in the nominal amount represented by it by the amount so redeemed or purchased and cancelled and (b) in the case of any Global Note which is a NGN, to instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such redemption or purchase and cancellation, as the case may be; *provided, that*, in the case of a purchase or cancellation, the Issuer has notified the Agent of the same in accordance with Clause 12.1.

13. Issue of Replacement Notes, Coupons and Talons

- 13.1 The Issuer will cause a sufficient quantity of additional forms of Notes, Coupons and Talons to be available, upon request, to the Agent at its specified office for the purpose of issuing replacement Notes, Coupons and Talons as provided below.
- 13.2 The Agent will, subject to and in accordance with the Conditions and this clause, cause to be delivered any replacement Notes, Coupons and Talons which the Issuer may determine to issue in place of Notes, Coupons and Talons which have been lost, stolen, mutilated, defaced or destroyed.
- 13.3 In the case of a mutilated or defaced Note, the Agent shall ensure that (unless otherwise covered by such indemnity as the Issuer may reasonably require) any replacement Note will

only have attached to it Coupons and Talons corresponding to those (if any) attached to the mutilated or defaced Note which is presented for replacement.

- 13.4 The Agent shall obtain verification in the case of an allegedly lost, stolen or destroyed Note, Coupon or Talon in respect of which the serial number is known, that the Note, Coupon or Talon has not previously been redeemed, paid or exchanged, as the case may be. The Agent shall not issue any replacement Note, Coupon or Talon unless and until the claimant shall have:
- (a) paid the costs and expenses incurred in connection with the issue;
 - (b) provided it with such evidence and indemnity as the Issuer may reasonably require; and
 - (c) in the case of any mutilated or defaced Note, Coupon or Talon, surrendered it to the Agent.
- 13.5 The Agent shall cancel any mutilated or defaced Notes, Coupons and Talons in respect of which replacement Notes, Coupons and Talons have been issued under this clause and shall furnish the Issuer with a certificate stating the serial numbers of the Notes, Coupons and Talons cancelled and, unless otherwise instructed by the Issuer in writing, shall destroy the cancelled Notes, Coupons and Talons and give to the Issuer a destruction certificate containing the information specified in subclause 12.3.
- 13.6 The Agent shall, on issuing any replacement Note, Coupon or Talon, immediately inform the Issuer and the other Paying Agents of the serial number of the replacement Note, Coupon or Talon issued and (if known) of the serial number of the Note, Coupon or Talon in place of which the replacement Note, Coupon or Talon has been issued. Whenever replacement Coupons or Talons are issued, the Agent shall also notify the other Paying Agents of the maturity dates of the lost, stolen, mutilated, defaced or destroyed Coupons or Talons and of the replacement Coupons or Talons issued.
- 13.7 The Agent shall keep a full and complete record of all replacement Notes, Coupons and Talons issued and shall make the record available at all reasonable times to the Issuer and any persons authorised by it for inspection and for the taking of copies of it or extracts from it.
- 13.8 Whenever any Note, Coupon or Talon for which a replacement Note, Coupon or Talon has been issued and in respect of which the serial number is known is presented to a Paying Agent for payment, the relevant Paying Agent shall immediately send notice of that fact to the Issuer and the other Paying Agents.
- 13.9 The Paying Agents shall issue further Coupon sheets against surrender of Talons. A Talon so surrendered shall be cancelled by the relevant Paying Agent who (except where the Paying Agent is the Agent) shall inform the Agent of its serial number. Further Coupon sheets issued on surrender of Talons shall carry the same serial number as the surrendered Talon.

14. Copies of Documents Available for Inspection

Each Paying Agent shall hold available for inspection at its specified office during normal business hours copies of all documents required to be so available by the Conditions of any Notes or the rules of any relevant Stock Exchange (or any other relevant authority). For these purposes, the Issuer shall provide the Paying Agents with sufficient copies of each of the relevant documents.

15. Meetings of Noteholders

- 15.1 The provisions of Schedule 5 shall apply to meetings of the Noteholders and shall have effect in the same manner as if set out in this Agreement.
- 15.2 Without prejudice to subclause 15.1, each of the Paying Agents on the request of any holder of Notes shall issue voting certificates and voting instructions in accordance with Schedule 5 and shall immediately give notice to the Issuer in writing of any revocation or amendment of a voting instruction. Each of the Paying Agents will keep a full and complete record of all voting certificates and voting instructions issued by it and will, not less than 24 hours before the time appointed for holding a meeting or adjourned meeting, deposit at such place as the Agent shall approve, full particulars of all voting certificates and voting instructions issued by it in respect of the meeting or adjourned meeting.

16. Commissions and Expenses

The Issuer agrees to pay to the Agent such fees and commissions, if any, as the Issuer and the Agent shall separately agree in respect of the services of the Agents initially appointed under this Agreement together with any out of pocket expenses (including legal, printing, postage, fax, cable and advertising expenses) reasonably incurred and properly documented by such Agents in connection with their services.

17. Indemnity

- 17.1 The Issuer shall indemnify the Agent and each of the Paying Agents, on an after tax basis, against any direct loss, liability, cost, claim, action, demand or expense (together, “**Losses**”) (including, but not limited to, all reasonable costs, legal fees, charges and expenses (together, “**Expenses**”) paid or incurred in disputing or defending any Losses) which it may incur or which may be made against it arising out of or in relation to or in connection with its appointment or the exercise of its functions, except for any Losses or Expenses resulting from its own gross negligence, bad faith or wilful default or that of its directors, officers, employees or agents.
- 17.2 The Agent and each of the Paying Agents shall indemnify the Issuer, on an after tax basis, against any Losses (including, but not limited to, all reasonable costs, legal fees, charges and expenses paid or incurred in disputing or defending any Losses) which it may incur or which may be made against it arising out of or in relation to or in connection with its gross negligence, bad faith or wilful default or that of its directors, officers, employees or agents.
- 17.3 Notwithstanding any provision of this Agreement to the contrary, no Agent or Paying Agent shall in any event be liable for the following direct losses: loss of profits, loss of contracts or loss of goodwill. Under no circumstances will any Agent or Paying Agent be liable to the Issuer or any other party to this Agreement for any consequential loss or damage (including but not limited to, loss of business, goodwill, opportunity or profit), even if advised of the possibility of such loss or damage.
- 17.4 Notwithstanding any other provisions of this Agreement, if the Agent is rendered unable to carry out its obligations under this Agreement as a result of the occurrence of a Force Majeure Event, the Agent shall not be liable for any failure to carry out such obligations for so long as it is so prevented.
- 17.5 The indemnities set out above shall survive any termination and expiry of this Agreement.

18. Responsibility of the Paying Agents

- 18.1 No Paying Agent shall be responsible to anyone with respect to the validity of this Agreement or the Notes or Coupons or for any act or omission by it in connection with this Agreement or any Note or Coupon except for its own negligence, default or bad faith, including that of its officers and employees.
- 18.2 No Paying Agent shall have any duty or responsibility in the case of any default by the Issuer in the performance of its obligations under the Conditions or, in the case of receipt of a written demand from a Noteholder or Couponholder, with respect to such default, *provided however that* immediately on receiving any notice given by a Noteholder in accordance with Condition 9 (*Events of Default*), the Agent notifies the Issuer of the fact and furnishes it with a copy of the notice.
- 18.3 Whenever in the performance of its duties under this Agreement a Paying Agent shall deem it desirable that any matter be established by the Issuer prior to taking or suffering any action under this Agreement, the matter may be deemed to be conclusively established by a certificate signed by the Issuer and delivered to the Paying Agent and the certificate shall be a full authorisation to the Paying Agent for any action taken or suffered in good faith by it under the provisions of this Agreement in reliance upon the certificate.

19. Conditions of Appointment

- 19.1 Each Paying Agent shall be entitled to deal with money paid to it by the Issuer for the purpose of this Agreement in the same manner as other money paid to a banker by its customers except:
- (a) that it shall not exercise any right of set-off, lien or similar claim in respect of the money; and
 - (b) that it shall not be liable to account to the Issuer for any interest on the money.
- 19.2 In acting under this Agreement and in connection with the Notes, each Paying Agent shall act solely as an agent of the Issuer and will not assume any obligations towards or relationship of agency or trust for or with any of the owners or holders of the Notes, Coupons or Talons.
- 19.3 Each Paying Agent undertakes to the Issuer to perform its duties, and shall be obliged to perform the duties and only the duties, specifically stated in this Agreement (including Schedule 7 in the case of the Agent), the Conditions and the Procedures Memorandum, and no implied duties or obligations shall be read into any of those documents against any Paying Agent, other than the duty to act honestly and in good faith and to exercise the diligence of a reasonably prudent agent in comparable circumstances. Each of the Paying Agents (other than the Agent) agrees that if any information that is required by the Agent to perform the duties set out in Schedule 7 becomes known to it, it will promptly provide such information to the Agent.
- 19.4 The Agent may consult with reputable legal and other professional advisers with respect to its rights and duties hereunder and may rely on the opinion of any such advisers. Failure to consult with such advisers on any matter shall not be construed as evidence of the Agent not acting in good faith.
- 19.5 Each Paying Agent shall be protected and shall incur no liability in respect of any action taken, omitted or suffered in reliance on any instruction from an authorised officer of the Issuer given in accordance with this Agreement or any document which it reasonably believes to be genuine and to have been delivered by the proper party or on written instructions from an authorised officer of the Issuer as provided in subclause 19.7. No Paying Agent shall be under any obligation to act if such Paying Agent reasonably believes that in doing so it will

incur expenses for which it will not be reimbursed under this Agreement and in not acting on the basis of such reasonably held belief, such Paying Agent shall bear no liability therefor.

- 19.6 Any Paying Agent and its officers, directors and employees may become the owner of, and/or acquire any interest in, any Notes, Coupons or Talons with the same rights that it or he would have had if the Paying Agent concerned were not appointed under this Agreement, and may engage or be interested in any financial or other transaction with the Issuer and may act on, or as depositary, trustee or agent for, any committee or body of holders of Notes or Coupons or in connection with any other obligations of the Issuer as freely as if the Paying Agent were not appointed under this Agreement.
- 19.7 The Issuer shall provide the Agent with a certified copy of the list of persons authorised to execute documents and take action on its behalf in connection with this Agreement and shall notify the Agent immediately in writing if any of those persons ceases to be authorised or if any additional person becomes authorised together, in the case of an additional authorised person, with evidence satisfactory to the Agent that the person has been authorised.
- 19.8 Except as otherwise permitted in the Conditions or as ordered by a court of competent jurisdiction or as required by law or applicable regulations, the Issuer and each of the Paying Agents shall be entitled to treat the bearer of any Note or Coupon as the absolute owner of it (whether or not it is overdue and notwithstanding any notice of ownership or writing on it or notice of any previous loss or theft of it).
- 19.9 The amount of the Programme may be increased by the Issuer in accordance with the procedure set out in the Programme Agreement. Upon any increase being effected, all references in this Agreement to the amount of the Programme shall be deemed to be references to the increased amount.
- 19.10 Subject to the Issuer's written consent (such consent not to be unreasonably withheld), if in the Agent's opinion, acting reasonably, it deems it appropriate to delegate any of its roles, duties or obligations under this Agreement to a third party, the Issuer hereby acknowledges the potential for such delegation.

The Agent shall be and remain liable for any act or omission committed by such delegate, to the same extent as it would have been liable hereunder had it performed such act or omission itself.

19.11

- (a) Each of the Paying Agents and the Issuer undertake to respect and protect the confidentiality of all information acquired as a result of or pursuant to this Agreement and will not, without the other parties' prior written consent, disclose any such information to a third party, unless it is required to do so by any applicable law or regulation or is specifically authorised to do so hereunder or by any separate agreement, especially where the provision of such information is the object or part of the service to be provided by the relevant Paying Agent.
- (b) In order to provide its services to the Issuer and to satisfy legal obligations it is subject to, each Paying Agent will process (in particular, without being limited to, by collecting, recording, organising, storing, adapting or altering, retrieving, consulting, using, disclosing by transmission, disseminating or otherwise making available to third parties) data relating to the Issuer (including, without being limited to the Issuer's name, address, occupation, nationality, corporate form, etc.). The Issuer may freely refuse to provide any Paying Agent with this information and thus prevent the relevant Paying Agent from using these data-processing systems. However, such a refusal will be an obstacle preventing the start or continuation of business relations between the Issuer and the relevant Paying Agent. The Agent will only ask for the

information needed to fulfil its obligations and provide the Issuer with its services. The Issuer may, at its request, access the data relating to it and will be entitled to have it amended. The data will be kept for the period which the relevant Paying Agent is required to keep it by law.

- (c) The Issuer expressly authorises the transfer of data to third parties or to the head office of each Paying Agent (or any other person providing services to such Paying Agent) if such transmission is required to allow such Paying Agent to provide its services to the Issuer or to satisfy legal obligations it or such third party is subject to. The Issuer expressly authorises such transfer, including, to the extent relevant, any transfer to third parties established outside the European Communities.

20. Communications between the Parties

A copy of all communications relating to the subject matter of this Agreement between the Issuer and any Paying Agent (other than the Agent) shall be sent to the Agent.

21. Changes in Paying Agents

21.1 The Issuer agrees that, for so long as any Note is outstanding, or until moneys for the payment of all amounts in respect of all outstanding Notes have been made available to the Agent and have been returned to the Issuer, as provided in this Agreement:

- (a) so long as any Notes are listed on any Stock Exchange, there will at all times be a Paying Agent, which may be the Agent, with a specified office in the place required by the rules and regulations of the relevant Stock Exchange or any other relevant authority;
- (b) there will at all times be an Agent;
- (c) there will at all times be a Paying Agent in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive; and
- (d) there will at all times be a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated.

In addition, the Issuer shall immediately appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5.4 (*Payments - General provisions applicable to payments*). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency (as provided in subclause 21.5) or the occurrence of a Force Majeure Event (as determined by the Issuer following consultation with the Issuer), when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice shall have been given to the Noteholders in accordance with Condition 13 (*Notices*).

21.2 The Agent may (subject as provided in subclause 21.4) at any time resign by giving at least 90 days' written notice to the Issuer specifying the date on which its resignation shall become effective.

21.3 The Agent may (subject as provided in subclause 21.4) be removed at any time by the Issuer on at least 45 days' notice in writing from the Issuer specifying the date when the removal shall become effective.

21.4 Any resignation under subclause 21.2 or removal of the Agent under subclauses 21.3 or 21.5 shall only take effect upon the appointment by the Issuer of a successor Agent and (other than

in cases of insolvency of the Agent or the occurrence of a Force Majeure Event rendering the Agent unable to carry out its obligations under this Agreement (as determined by the Issuer following consultation with the Agent), when it shall be of immediate effect) on the expiry of the notice to be given under Clause 23. The Issuer agrees with the Agent that if, by the day falling 10 days before the expiry of any notice under subclause 21.2 and subclause 21.3, the Issuer has not appointed a successor Agent then the Agent shall be entitled, on behalf of the Issuer, to appoint in its place as a successor Agent a reputable financial institution of good standing which meets the criteria in Clause 21.1 and which the Issuer shall approve.

- 21.5 In case at any time any Paying Agent resigns, or is removed, or becomes incapable of acting or is adjudged bankrupt or insolvent, or files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of an administrator, liquidator or administrative or other receiver of all or a substantial part of its property, or admits in writing its inability to pay or meet its debts as they mature or suspends payment of its debts, or if any order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency law or if a receiver of it or of all or a substantial part of its property is appointed or if any officer takes charge or control of it or of its property or affairs for the purpose of rehabilitation, conservation or liquidation or if a Force Majeure Event occurs which renders the Paying Agent unable to carry out its obligations under this Agreement (as determined by the Issuer following consultation with the Agent), a successor Paying Agent which shall be a reputable financial institution of good standing may be appointed by the Issuer. Upon the appointment of a successor Paying Agent and acceptance by it of its appointment and (other than in case of insolvency or the occurrence of a Force Majeure Event, as described above, when it shall be of immediate effect) upon expiry of the notice to be given under Clause 23, the Paying Agent so superseded shall cease to be a Paying Agent under this Agreement.
- 21.6 Subject to subclause 21.1, the Issuer may, after prior consultation with the Agent, terminate the appointment of any of the other Paying Agents at any time and/or appoint one or more further or other Paying Agents by giving to the Agent and to the relevant other Paying Agent at least 45 days' notice in writing to that effect (other than in the case of insolvency or the occurrence of a Force Majeure Event rendering the Agent unable to carry out its obligations under this Agreement (as determined by the Issuer following consultation with the Agent) when it shall be of immediate effect).
- 21.7 Notwithstanding any other provision in this Agreement, if the Issuer determines, in its sole discretion, that it will be required to withhold or deduct any FATCA Withholding in connection with any payments due on the Notes and such FATCA Withholding would not have arisen but for the Paying Agent not being or having ceased to be a person to whom payments are free from FATCA Withholding, the Issuer will be entitled to terminate the Paying Agent without notice and such termination will be effective from any such time specified in writing to such Paying Agent.
- 21.8 Subject to subclause 21.1, all or any of the Paying Agents (other than the Agent) may resign their respective appointments under this Agreement at any time by giving the Issuer and the Agent at least 45 days' written notice to that effect.
- 21.9 Upon its resignation or removal becoming effective, a Paying Agent shall:
- (a) in the case of the Agent, immediately transfer all moneys and records held by it under this Agreement to the successor Agent; and
 - (b) be entitled to the payment by the Issuer of the commissions, fees and expenses payable in respect of its services under this Agreement before termination in accordance with the terms of Clause 16.

- 21.10 Upon its appointment becoming effective, a successor or new Paying Agent shall, without any further action, become vested with all the authority, rights, powers, duties and obligations of its predecessor or, as the case may be, a Paying Agent with the same effect as if originally named as a Paying Agent under this Agreement.
- 21.11 The termination of the appointment of the Agent or any other Paying Agent under this Clause 21 shall not entitle the Agent or, as the case may be, any other Paying Agent to any amount by way of compensation but shall be without prejudice to any amount already accrued and due.

22. Merger and Consolidation

Any corporation into which any Paying Agent may be merged or converted, or any corporation with which a Paying Agent may be consolidated, or any corporation to which the business of any Paying Agent may be transferred, or any corporation resulting from any merger, conversion or consolidation to which a Paying Agent shall be a party, or any corporation to which a Paying Agent shall sell or otherwise transfer all or substantially all of its assets shall, on the date when the merger, conversion, consolidation or transfer becomes effective and to the extent permitted by any applicable laws, become the successor Paying Agent under this Agreement without the execution or filing of any paper or any further act on the part of the parties to this Agreement, unless otherwise required by the Issuer and after the said effective date all references in this Agreement to the relevant Paying Agent shall be deemed to be references to such successor corporation. Written notice of any such merger, conversion, consolidation or transfer shall immediately be given to the Issuer by the relevant Paying Agent.

23. Notification of Changes to Paying Agents

Following receipt of notice of resignation from a Paying Agent and immediately after appointing a successor or new Paying Agent or on giving notice to terminate the appointment of any Paying Agent, the Agent (on behalf of and at the expense of the Issuer) shall give or cause to be given not more than 45 days' nor less than 30 days' notice of the fact to the Noteholders in accordance with the Conditions.

24. Change of Specified Office

If any Paying Agent determines to change its specified office it shall give to the Issuer and the Agent written notice of that fact giving the address of the new specified office which shall be in the same city and stating the date on which the change is to take effect, which shall not be less than 45 days after the notice. The Agent (on behalf and at the expense of the Issuer) shall within 15 days of receipt of the notice (unless the appointment of the relevant Paying Agent is to terminate pursuant to Clause 21 on or prior to the date of the change) give or cause to be given not more than 45 days' nor less than 30 days' notice of the change to the Noteholders in accordance with the Conditions.

25. Communications

- 25.1 All communications shall be by fax or letter delivered by hand or (but only where specifically provided in the Procedures Memorandum) by telephone. Each communication shall be made to the relevant party at the fax number or address or telephone number and, in the case of a communication by fax or letter, marked for the attention of, or (in the case of a communication by telephone) made to, the person or department from time to time specified in writing by that party to the others for the purpose. The initial telephone number, fax

number and person or department so specified by each party are set out in the Procedures Memorandum.

- 25.2 A communication shall be deemed received (if by fax) when an acknowledgement of receipt is received, (if by telephone) when made or (if by letter) when delivered to the address specified in subclause 25.1, in each case in the manner required by this clause. However, if a communication is received after 4:00 p.m. (Luxembourg time) on any business day or on a day which is not a business day in the place of receipt it shall be deemed to be received and become effective at 10:00 a.m. (Luxembourg time) on the next business day in the place of receipt. Every communication shall be irrevocable save in respect of any manifest error in it.
- 25.3 Any notice given under or in connection with this Agreement shall be in English. All other documents provided under or in connection with this Agreement shall be:
- (a) in English; or
 - (b) if not in English, accompanied by a certified English translation and, in this case, the English translation shall prevail unless the document is a statutory or other official document.

26. Taxes and Stamp Duties

The Issuer agrees to pay any and all stamp and other documentary taxes or duties which may be payable in connection with the execution, delivery, performance and enforcement of this Agreement.

27. Currency Indemnity

If, under any applicable law and whether pursuant to a judgment being made or registered against the Issuer or in the liquidation, insolvency or any similar process of the Issuer or for any other reason, any payment under or in connection with this Agreement is made or falls to be satisfied in a currency (the “**other currency**”) other than that in which the relevant payment is expressed to be due (the “**required currency**”) under this Agreement, then, to the extent that the payment (when converted into the required currency at the rate of exchange on the date of payment or, if it is not practicable for the relevant Paying Agent to purchase the required currency with the other currency on the date of payment, at the rate of exchange as soon thereafter as it is practicable for it to do so or, in the case of a liquidation, insolvency or analogous process, at the rate of exchange on the latest date permitted by applicable law for the determination of liabilities in such liquidation, insolvency or analogous process) actually received by the relevant Paying Agent falls short of the amount due under the terms of this Agreement, the Issuer undertakes that it shall, as a separate and independent obligation, indemnify and hold harmless the Paying Agent against the amount of the shortfall. For the purpose of this Clause 27, “**rate of exchange**” means the rate at which the relevant Paying Agent is able on the London foreign exchange market on the relevant date to purchase the required currency with the other currency and shall take into account any premium and other reasonable costs of exchange.

28. Amendments

The Agent and the Issuer may agree, without the consent of the Noteholders or Couponholders, to:

- (a) any modification of this Agreement which is not prejudicial to the interests of the Noteholders; or

- (b) any modification (except as mentioned in the Conditions) of the Notes, the Coupons or this Agreement which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of law.

Any modification so made shall be binding on the Noteholders and the Couponholders and shall be notified to the Noteholders in accordance with Condition 13 (*Notices*) as soon as practicable after it has been agreed.

29. Contracts (Rights of Third Parties) Act 1999

A person who is not a party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

30. Internal Code of Conduct and Organisational Models

Each Party as at the date of execution of this Agreement acknowledges the adoption by each other Party of the respective codes of conduct and organisational models in accordance with applicable laws, and BNPP - as at the date of execution of this Agreement - represents that it has instituted and continue to effectively implement policies and procedures, and has instructed the employees, officers and advisors accordingly, aimed at preventing conducts in violation of any applicable anti-bribery, anti-corruption or anti-money laundering laws or regulations in any applicable jurisdiction for the entire duration of this Agreement.

31. Governing Law and Submission to Jurisdiction

- 31.1 This Agreement and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, the laws of England.
- 31.2 The Issuer irrevocably agrees for the benefit of the Paying Agents that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Agreement (including any dispute relating to any non-contractual obligations arising out of or in connection with this Agreement) and that accordingly any suit, action or proceedings (together referred to as “**Proceedings**”) arising out of or in connection with this Agreement (including any Proceedings relating to any non-contractual obligations arising out of or in connection with this Agreement) may be brought in such courts.
- 31.3 The Issuer irrevocably waives any objection which it may have to the laying of the venue of any Proceedings in any such courts and any claim that any such Proceedings have been brought in an inconvenient forum and further irrevocably agrees that a judgment in any Proceedings brought in the English courts shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction.
- 31.4 Nothing contained in this clause shall limit any right to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.
- 31.5 The Issuer appoints Laurentia Financial Services Limited at its registered office for the time being as its agent for service of process, and undertakes that, in the event of Laurentia Financial Services Limited ceasing so to act or ceasing to be registered in England, it will appoint another person, as the Agent may approve, as its agent for service of process in England in respect of any Proceedings. Nothing in this Clause 31 shall affect the right to serve process in any other manner permitted by law.

32. General

- 32.1 This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.
- 32.2 If any provision in or obligation under this Agreement is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Agreement, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Agreement.

4. INTEREST

4.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in the Conditions, “**Fixed Interest Period**” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (a) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note; or
- (b) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest, in accordance with this Condition 4.1:

- (a) if “**Actual/Actual (ICMA)**” is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “**Accrual Period**”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (b) if “30/360” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In the Conditions:

“**Determination Period**” means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

“**sub-unit**” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

4.2 Interest on Floating Rate Notes and Inflation Linked Interest Notes

(A) Interest Payment Dates

Each Floating Rate Note and Inflation Linked Interest Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- i. the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or

- ii. if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an “**Interest Payment**” Date) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In the Conditions, “**Interest Period**” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 4.2(A)ii (*Interest - Interest on Floating Rate Notes and Inflation Linked Interest Notes - Interest Payment Dates*) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (2) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (1) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (2) each subsequent Interest Payment Date shall be the last Business Day in the month which falls in the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In the Conditions, “**Business Day**” means a day which is both:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre specified in the applicable Final Terms; and
- (b) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET 2) System (the “**TARGET 2 System**”) is open.

(B) Rate of Interest - Floating Rate Notes

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

i. ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph i, “**ISDA Rate**” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the “**ISDA Definitions**”) and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this subparagraph i, “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

ii. Screen Rate Determination for Floating Rate Notes

- (A) Floating Rate Notes other than CMS Linked Interest Notes and Constant Maturity BTP Linked Interest Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- i. the offered quotation; or
- ii. the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either LIBOR or EURIBOR, as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (i) above, no offered quotation appears or, in the case of (ii) above, fewer than three offered quotations appear, in each case as at the Specified Time, the Agent shall request each of the Reference Banks to provide the Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question.

If two or more of the Reference Banks provide the Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or, if fewer than two of the Reference Banks provide the Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Agent it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), *provided that*, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

For the purposes of this paragraph (A) of Condition 4.2, “**Reference Banks**” means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market and, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Agent;

“**Specified Time**” means 11.00 a.m. (London time, in the case of a determination of LIBOR, or Brussels time, in the case of a determination of EURIBOR).

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(B) Floating Rate Notes which are CMS Linked Interest Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be determined by the Calculation

Agent by reference to the following formula where CMS Reference Rate is specified as the Reference Rate in the applicable Final Terms:

CMS Rate plus Margin

If the Relevant Screen Page is not available, the Calculation Agent shall request each of the CMS Reference Banks to provide the Calculation Agent with its quotation for the Relevant Swap Rate at approximately the Specified Time on the Interest Determination Date in question. If at least three of the CMS Reference Banks provide the Calculation Agent with such quotation, the CMS Rate for such Interest Period shall be the arithmetic mean of such quotations, after eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest).

If on any Interest Determination Date less than three or none of the CMS Reference Banks provides the Calculation Agent with such quotations as provided in the preceding paragraph, the CMS Rate shall be determined by the Calculation Agent in good faith on such commercial basis as considered appropriate by the Calculation Agent in its discretion, in accordance with standard market practice.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

For the purposes of this paragraph (B) of Condition 4.2:

“**CMS Rate**” shall mean the applicable swap rate for swap transactions in the Reference Currency with a maturity of the Designated Maturity, expressed as a percentage, which appears on the Relevant Screen Page as at the Specified Time on the Interest Determination Date in question, all as determined by the Calculation Agent.

“**CMS Reference Banks**” means (i) where the Reference Currency is Euro, the principal office of five leading swap dealers in the inter-bank market, (ii) where the Reference Currency is Sterling, the principal London office of five leading swap dealers in the London inter-bank market, (iii) where the Reference Currency is United States dollars, the principal New York City office of five leading swap dealers in the New York City inter-bank market, or (iv) in the case of any other Reference Currency, the principal Relevant Financial Centre office of five leading swap dealers in the Relevant Financial Centre inter-bank market, in each case selected by the Calculation Agent.

“**Designated Maturity**”, “**Margin**”, “**Relevant Screen Page**” and “**Specified Time**” shall have the meaning given to those terms in the applicable Final Terms.

“**Relevant Swap Rate**” means:

- (i) where the Reference Currency is Euro, the mid-market annual swap rate determined on the basis of the arithmetic mean of the bid and offered rates for the annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating euro interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/360 day count basis, is equivalent to EUR-EURIBOR-Reuters (as defined in the ISDA Definitions) with a designated maturity determined by the Agent by reference to standard market practice and/or the ISDA Definitions;

- (ii) where the Reference Currency is Sterling, the mid-market semi-annual swap rate determined on the basis of the arithmetic mean of the bid and offered rates for the semi-annual fixed leg, calculated on an Actual/365 (Fixed) day count basis, of a fixed-for-floating Sterling interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/365 (Fixed) day count basis, is equivalent (A) if the Designated Maturity is greater than one year, to GBP-LIBOR-BBA (as defined in the ISDA Definitions) with a designated maturity of six months or (B) if the Designated Maturity is one year or less, to GBP-LIBOR- BBA with a designated maturity of three months;
- (iii) where the Reference Currency is United States dollars, the mid-market semi-annual swap rate determined on the basis of the mean of the bid and offered rates for the semi-annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating United States dollar interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, calculated on an Actual/360 day count basis, is equivalent to USD-LIBOR-BBA (as defined in the ISDA Definitions) with a designated maturity of three months; and
- (iv) where the Reference Currency is any other currency or if the Final Terms specify otherwise, the mid-market swap rate as determined in accordance with the applicable Final Terms.

“**Representative Amount**” means an amount that is representative for a single transaction in the relevant market at the relevant time.

(C) Floating Rate Notes which are Constant Maturity BTP Linked Interest Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and Constant Maturity BTP Rate is specified as the Reference Rate in the applicable Final Terms, the Rate of Interest for each Interest Period will, subject as provided below, be the gross yield before taxes of Italian government bonds with a maturity of the Designated Maturity, expressed as a percentage, which appears on the Relevant Screen Page (or such replacement page on that service which displays the information) at the Specified Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent.

If on any Interest Determination Date the Relevant Screen Page (or such replacement page on that service which displays the information) is not available, the Constant Maturity BTP Rate for such Interest Determination Date shall be determined by the Calculation Agent, acting in good faith and in a commercially reasonable manner, as the gross yield before taxes based on the mid-market price for Italian government bonds with a maturity of the Designated Maturity, or as close to the Designated Maturity as considered appropriate by the Calculation Agent in its discretion, and in a Representative Amount at the Specified Time on the Interest Determination Date in question and shall be the arithmetic mean of quotations obtained from three Constant Maturity BTP Reference Banks selected by the Calculation Agent (from five such Constant Maturity BTP Reference Banks after eliminating the highest quotation (or,

in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest)).

If on any Interest Determination Date fewer than three or none of the Constant Maturity BTP Reference Banks provides the Calculation Agent with quotations for such prices as provided in the preceding paragraph, the Constant Maturity BTP Rate shall be determined by the Calculation Agent in good faith on such commercial basis as considered appropriate by the Calculation Agent in its discretion, in accordance with standard market practice.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

For the purposes of this paragraph (C) of Condition 4.2:

“**Constant Maturity BTP Reference Bank**” means the principal office of any “*Specialist in Italian Government Bonds*” included in the “*List of Specialists in Government Bonds*” (*Elenco Specialisti in Titoli di Stato*) published by the Department of Treasury (*Dipartimento del Tesoro*) from time to time.

“**Designated Maturity**”, “**Margin**”, “**Relevant Screen Page**” and “**Specified Time**” shall have the meaning given to those terms in the applicable Final Terms.

“**Representative Amount**” means an amount that is representative for a single transaction in the relevant market at the relevant time.

(C) **Rate of Interest - Inflation Linked Interest Notes**

The Rate of Interest payable from time to time in respect of Inflation Linked Interest Notes for each Interest Period will be determined by the Calculation Agent, or other party specified in the applicable Final Terms, on the relevant Interest Determination Date in accordance with the following formula:

$$\text{Rate of Interest} = [\text{Rate Multiplier}] * \left(\frac{\text{DIR}(t)}{\text{DIR}(0)} \right)$$

subject to the Minimum Rate of Interest or the Maximum Rate of Interest if, in either case, designated as applicable in the applicable Final Terms in which case the provisions of paragraph (D) below of Condition 4.2 (*Interest - Interest on Floating Rate Notes and Inflation Linked Interest Notes - Minimum Rate of Interest and/or Maximum Rate of Interest*) shall apply as appropriate.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

The Rate of Interest and the result of $\text{DIR}(t)$ divided by $\text{DIR}(0)$ shall be rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards.

Definitions

For the purposes of the Conditions:

“**Day of Month**” means the actual number of days since the start of the relevant month;

“**Days in Month**” means the number of days in the relevant month;

“**DIR(0)**” means the value specified in the applicable Final Terms and being the value as calculated in accordance with the following formula (where month “ t ” is the month and year in which the Trade Date falls):

$DIR(0) = \text{Inflation Index}(t - \text{Lookback Period 1}) + [\text{Inflation Index}(t - \text{Lookback Period 2}) - \text{Inflation Index}(t - \text{Lookback Period 1})] * [(\text{DayOfMonth} - 1) / \text{DaysInMonth}]$, rounded

(if necessary) to the fifth decimal place, with 0.000005 being rounded upwards;

“**DIR(t)**” means in respect of the Specified Interest Payment Date falling in month “t”, the value calculated in accordance with the following formula:

$DIR(t) = \text{Inflation Index}(t - \text{Lookback Period 1}) + [\text{Inflation Index}(t - \text{Lookback Period 2}) - \text{Inflation Index}(t - \text{Lookback Period 1})] * [(\text{DayOfMonth} - 1) / \text{DaysInMonth}]$,

rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards;

“**Inflation Index**” means the relevant inflation index set out in Annex I to this Base Prospectus specified in the applicable Final Terms;

“**Inflation Index (t-Lookback Period 1)**” means the value of the Inflation Index for the month that is the number of months in the Lookback Period 1 prior to the month (t) in which the relevant Specified Interest Payment Date falls;

“**Rate Multiplier**” has the meaning given to it in the applicable Final Terms, *provided that* if Rate Multiplier is specified as “Not Applicable”, the Rate Multiplier shall be deemed to be equal to one.

(D) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (B) above or paragraph (C) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (B) above or paragraph (C) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest

(E) Determination of Rate of Interest and calculation of Interest Amounts

The Agent, in the case of Floating Rate Notes, other than CMS Linked Interest Notes and Constant Maturity BTP Linked Interest Notes, and the Calculation Agent, in the case of Floating Rate Notes which are CMS Linked Interest Notes and Constant Maturity BTP Linked Interest Notes and Inflation Linked Interest Notes will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Floating Rate Notes which are CMS Linked Interest Notes and Constant Maturity BTP Linked

Interest Notes and Inflation Linked Interest Notes, the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period promptly after calculating the same.

The Agent will calculate the amount of interest (the “**Interest Amount**”) payable on the Floating Rate Notes or Inflation Linked Interest Notes for the relevant Interest Period by applying the Rate of Interest to:

- i. in the case of Floating Rate Notes or Inflation Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- ii. in the case of Floating Rate Notes or Inflation Linked Interest Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Inflation Linked Interest Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

In the case of Inflation Linked Interest Notes, if an Initial Ratio Amount is specified in the applicable Final Terms as applicable, the amount payable on the first Interest Payment Date in respect of the aggregate nominal amount of the Notes for the time being outstanding shall be the sum of the relevant Interest Amount (in respect of the period from and including the Interest Commencement Date to but excluding the first Interest Payment Date) plus an amount equal to the product of the Initial Ratio Amount multiplied by $DIR(t)/DIR(0)$ (or in the event the Interest Amount referred to above is calculated in respect of Notes in definitive form, a *pro rata* proportion of such amount) (such sum shall be rounded (if necessary) to the nearest euro cent with half a euro cent being rounded upwards).

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest in accordance with this Condition 4.2:

- (i) if “**Actual/Actual (ISDA)**” or “**Actual/Actual**” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if “**Actual/365 (Fixed)**” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if “**Actual/365 (Sterling)**” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if “**Actual/360**” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if “**30/360**”, “**360/360**” or “**Bond Basis**” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360x(Y_2 - Y_1)] + [30x(M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y_1 is the year, expressed as a number, in which the first day of the Interest Period falls;

Y_2 is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M_1 is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M_2 is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D_2 is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D_1 is greater than 29, in which case D_2 will be 30;

- (vi) if “**30E/360**” or “**Eurobond Basis**” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360x(Y_2 - Y_1)] + [30x(M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y_1 is the year, expressed as a number, in which the first day of the Interest Period falls;

Y_2 is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M_1 is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

D_1 is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D_1 will be 30; and

D_2 is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D_2 will be 30;

- (vii) if “**30E/360 (ISDA)**” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360x(Y_2 - Y_1)] + [30x(M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y_1 is the year, expressed as a number, in which the first day of the Interest Period falls;

Y_2 is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M_1 is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M_2 is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D_1 is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D_1 will be 30; and

D_2 is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D_2 will be 30.

“**Initial Ratio Amount**” means the value specified in the applicable Final Terms, if applicable.

(F) Linear Interpolation

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the applicable Final Terms), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period *provided however that* if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

“**Designated Maturity**” means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate.

(G) Notification of Rate of Interest and Interest Amounts

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes or Inflation Linked Interest Notes are for the time being listed (by no later than the first day of each Interest Period) and notice thereof to be published in accordance with Condition 13 (*Notices*) as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will promptly be notified to each stock exchange on which the relevant Floating Rate Notes or Inflation Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 13 (*Notices*). For the purposes of this paragraph, the expression London Business Day means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(H) Certificates to be final

- (b) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority),

the Calculation Agent determines in its discretion that (i) it has become illegal to hold, acquire or dispose of any relevant hedging arrangements in respect of the Inflation Index or (ii) any Hedging Party will incur a materially increased cost in performing its obligations in relation to the Notes (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on the tax position of the Issuer, any of its affiliates or any other Hedging Party).

“**Cut-Off Date**” means, in respect of a Determination Date, five (5) Business Days prior to any due date for payment under the Notes for which valuation on the relevant Determination Date is relevant, unless otherwise stated in the applicable Final Terms.

there is no such bond maturing on the End Date, or (c) the next shortest maturity before the End Date if no bond defined in (a) or (b) is selected by the Calculation Agent. If the relevant Inflation Index relates to the level of inflation across the European Monetary Union, the Calculation Agent will select an inflation-linked bond that is a debt obligation of one of the governments (but not any government agency) of France, Italy, Germany or Spain and which pays a coupon or redemption amount which is calculated by reference to the level of inflation in the European Monetary Union. In each case, the Calculation Agent will select the Fallback Bond from those inflation-linked bonds issued on or before the Issue Date and, if there is more than one inflation-linked bond maturing on the same date, the Fallback Bond shall be selected by the Calculation Agent from those bonds. If the Fallback Bond redeems, the Calculation Agent will select a new Fallback Bond on the same basis, but notwithstanding the immediately prior sentence, selected from all eligible bonds in issue at the time the original Fallback Bond redeems (including any bond for which the redeemed bond is exchanged).

“Hedging Disruption” means that any Hedging Party is unable, after using commercially reasonable efforts, to (a) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the relevant price risk of the Issuer issuing and performing its obligations with respect to the Notes, or (b) freely realise, recover, remit, receive, repatriate or transfer the proceeds of any such transaction(s) or asset(s), as determined by the Calculation Agent.

“Hedging Party” means at any relevant time, the Issuer, or any of its affiliates or any other party providing the Issuer directly or indirectly with hedging arrangements in relation to the Notes as the Issuer may select at such time.

“Increased Cost of Hedging” means that any Hedging Party would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (a) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the market risk (including, without limitation, price risk, foreign exchange risk and interest rate risk) of the Issuer issuing and performing its obligations with respect to the Notes, or (b) realise, recover or remit the proceeds of any such transaction(s) or asset(s), *provided that* any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates shall not be deemed an Increased Cost of Hedging.

“Interest Determination Date” means the date specified in the applicable Final Terms, if applicable.

“Inflation Index Sponsor” means, in relation to an Inflation Index, the entity that publishes or announces (directly or through an agent) the level of such Inflation Index which, as of the Issue Date, is the Inflation Index Sponsor specified in the applicable Final Terms.

“Redemption Determination Date” means the date specified in the applicable Final Terms, if applicable.

“Reference Month” means the calendar month for which the level of the Inflation Index is reported as specified in the applicable Final Terms, regardless of when this information is published or announced, except that if the period for which the Relevant Level was reported is a period other than a month, the Reference Month shall be the period for which the Relevant Level is reported.

“Related Bond” means, in respect of an Inflation Index, the bond specified as such in the applicable Final Terms. If the Related Bond specified in the applicable Final Terms is **“Fallback Bond”**, then, for any Related Bond determination, the Calculation Agent shall use the Fallback Bond. If no bond is specified in the applicable Final Terms as the Related Bond and **“Fallback Bond: Not Applicable”** is specified in the applicable Final Terms, there will be

no Related Bond. If a bond is specified as the Related Bond in the applicable Final Terms and that bond redeems or matures before the End Date (i) unless “Fallback Bond: Not Applicable” is specified in the applicable Final Terms, the Calculation Agent shall use the Fallback Bond for any Related Bond determination and (ii) if “Fallback Bond: Not Applicable” is specified in the applicable Final Terms, there will be no Related Bond.

“**Relevant Level**” has the meaning set out in the definition of “**Delayed Index Level Event**” above.

4.3.2 Inflation Index delay and disruption provisions

(A) Delay in publication

If the Calculation Agent determines that a Delayed Index Level Event in respect of an Inflation Index has occurred with respect to any Determination Date, then the Relevant Level for such Inflation Index with respect to the relevant Reference Month subject to such Delayed Index Level Event (the “**Substitute Index Level**”) shall be determined by the Calculation Agent as follows:

- i. if “**Related Bond**” is specified as applicable for such Inflation Index in the relevant Final Terms, the Calculation Agent shall determine the Substitute Index Level by reference to the corresponding index level determined under the terms and conditions of the relevant Related Bond; or
- ii. if (I) “**Related Bond**” is not specified as applicable for such Inflation Index in the relevant Final Terms, or (II) the Calculation Agent is not able to determine a Substitute Index Level under (i) above, the Calculation Agent shall determine the Substitute Index Level by reference to the following formula:

$$\text{Substitute Index Level} = \text{Base Level} \times (\text{Latest Level}/\text{Reference Level}),$$

in each case as of such Determination Date,

where:

“**Base Level**” means, in respect of an Inflation Index, the level of such Inflation Index (excluding any “flash” estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month which is 12 calendar months prior to the month for which the Substitute Index Level is being determined.

“**Latest Level**” means, in respect of an Inflation Index, the latest level of such Inflation Index (excluding any “flash” estimates) published or announced by the relevant Inflation Index Sponsor prior to the month in respect of which the Substitute Index Level is being determined.

“**Reference Level**” means, in respect of an Inflation Index, the level of such Inflation Index (excluding any “flash” estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month that is 12 calendar months prior to the month in respect of the Latest Level.

The Issuer shall give notice to Noteholders, in accordance with Condition 13 (*Notices*) of any Substitute Index Level calculated pursuant to this paragraph (A) of Condition 4.3.2.

If the Relevant Level (as defined above) is published or announced at any time on or after the relevant Cut-off Date, such Relevant Level will not be used in any calculations. The Substitute Index Level so determined pursuant to this paragraph (A) of Condition 4.3.2 will be the definitive level for that Reference Month.

(B) **Cessation of publication**

If the Calculation Agent determines that the level for the Inflation Index has not been published or announced for two (2) consecutive months, or the Inflation Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index or the Inflation Index Sponsor otherwise cancels the Inflation Index, then the Calculation Agent shall determine a successor inflation index (the “**Successor Inflation Index**”) (in lieu of any previously applicable Inflation Index) for the purposes of the Inflation Linked Notes by using the following methodology:

- i. if at any time (other than after an early redemption has been designated by the Calculation Agent pursuant to this Condition 4.3), a successor inflation index has been designated by the calculation agent (or equivalent) pursuant to the terms and conditions of the Related Bond, such successor inflation index shall be designated a “**Successor Inflation Index**” notwithstanding that any other Successor Inflation Index may previously have been determined under paragraphs (B)(ii), (B)(iii) or (B)(iv) below of Condition 4.3.2;
- ii. if a Successor Inflation Index has not been determined pursuant to paragraph (B)(i) above of Condition 4.3.2, and a notice has been given or an announcement has been made by the Inflation Index Sponsor specifying that the Inflation Index will be superseded by a replacement Inflation Index specified by the Inflation Index Sponsor, and the Calculation Agent determines that such replacement index is calculated using the same or substantially similar formula or method of calculation as used in the calculation of the previously applicable Inflation Index, such replacement index shall be the Inflation Index for purposes of the Inflation Linked Notes from the date that such replacement Inflation Index comes into effect;
- iii. if a Successor Inflation Index has not been determined pursuant to paragraphs (B)(i) or (B)(ii) above of Condition 4.3.2, the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be. If four or five responses are received and, of those four or five responses, three or more leading independent dealers state the same index, this index will be deemed the “**Successor Inflation Index**”. If three responses are received and two or more leading independent dealers state the same index, this index will be deemed the “**Successor Inflation Index**”. If fewer than three responses are received or no Successor Inflation Index is determined pursuant to this paragraph (B)(iii) of Condition 4.3.2, the Calculation Agent will proceed to paragraph (B)(iv) below of Condition 4.3.2; or
- iv. if no replacement index or Successor Inflation Index has been determined under paragraphs (B) (i), (B)(ii) or (B)(iii) above of Condition 4.3.2 by the next occurring Cut-Off Date, the Calculation Agent, subject as provided below, will determine an appropriate alternative index from such Cut-Off Date, and such index will be deemed a “**Successor Inflation Index**”; or
- v. If the Calculation Agent determines that there is no appropriate alternative inflation index to Inflation Linked Interest Notes, the Issuer may redeem the Notes early at the Early Redemption Amount.

(C) **Rebasing of the Inflation Index**

If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the “**Rebased Index**”) will be used for purposes of determining the level of the Inflation Index from the date of such rebasing; *provided, however, that* the Calculation Agent shall make adjustments as are made by the calculation agent (or equivalent) pursuant to the terms and conditions of the Related Bond, if “**Related**

Bond” is specified as applicable in the applicable Final Terms, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased, or, if “Related Bond” is not specified as applicable in the applicable Final Terms, the Calculation Agent shall make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased.

(D) **Material modification prior to last occurring Cut-Off**

If, on or prior to the last occurring Cut-Off Date, the Inflation Index Sponsor announces that it will make a material change to the Inflation Index then the Calculation Agent shall make any such adjustments, if “Related Bond” is specified as applicable in the applicable Final Terms, consistent with adjustments made to the Related Bond, or, if “Related Bond” is not specified as applicable in the applicable Final Terms, only those adjustments to the Inflation Index necessary for the modified Inflation Index to continue as the Inflation Index.

(E) **Manifest Error in Publication**

With the exception of any corrections published after the day which is fifteen (15) Business Days prior to the relevant Redemption Determination Date, if, within thirty (30) calendar days of publication, the Calculation Agent determines that the Inflation Index Sponsor has corrected the level of the Inflation Index to remedy a manifest error in its original publication, the Calculation Agent may, in its discretion, make such adjustments to the terms of the Inflation Linked Notes as it determines appropriate to account for the correction and will notify the Noteholders of any such adjustments in accordance with Condition 13 (*Notices*).

(F) **Consequences of an Additional Disruption Event**

If the Calculation Agent determines that an Additional Disruption Event has occurred, the Issuer may at its option:

- a. make any adjustment or adjustments to the payment or any other term or condition of the Notes as the Calculation Agent determines appropriate; and/or
- b. redeem all but not some of the Inflation Linked Notes on the date notified by the Calculation Agent to Noteholders in accordance with Condition 13 (*Notices*) by payment of the relevant Early Redemption Amount, as at the date of redemption, taking into account the relevant Additional Disruption Event.

4.3.3 Inflation Index disclaimer

The Notes are not sponsored, endorsed, sold or promoted by the Inflation Index or the Inflation Index Sponsor and the Inflation Index Sponsor does not make any representation whatsoever, whether express or implied, either as to the results to be obtained from the use of the Inflation Index and/or the levels at which the Inflation Index stands at any particular time on any particular date or otherwise. Neither the Inflation Index nor the Inflation Index Sponsor shall be liable (whether in negligence or otherwise) to any person for any error in the Inflation Index and the Inflation Index Sponsor is under no obligation to advise any person of any error therein. The Inflation Index Sponsor is not making any representation whatsoever, whether express or implied, as to the advisability of purchasing or assuming any risk in connection with the Notes. The Issuer shall not have liability to the Noteholders for any act or failure to act by the Inflation Index Sponsor in connection with the calculation, adjustment or maintenance of the Inflation Index. Except as disclosed prior to the Issue Date specified in the applicable Final Terms, neither the Issuer nor its affiliates has any affiliation with or control over the Inflation Index or the Inflation Index Sponsor or any control over the computation, composition or dissemination of the Inflation Index. Although the Calculation Agent will obtain information concerning the Inflation Index from publicly available sources it believes reliable, it will not independently verify this information. Accordingly, no

representation, warranty or undertaking (express or implied) is made and no responsibility is accepted by the Issuer, its affiliates or the Calculation Agent as to the accuracy, completeness and timeliness of information concerning the Inflation Index.

4.4 Accrual of interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13 (*Notices*).

5. PAYMENTS

5.1 Method of payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and
- (b) payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7 (*Taxation*) and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “**Code**”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 7 (*Taxation*)) any law implementing an intergovernmental approach thereto.

5.2 Presentation of definitive Notes and Coupons

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in paragraph 5.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Fixed Rate Notes in definitive form (other than Long Maturity Notes (as defined below) and save as provided in Condition 6.4) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same

proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 7 (*Taxation*)) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8 (*Prescription*)) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A “**Long Maturity Note**” is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon *provided that* such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

5.3 Payments in respect of Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes or otherwise in the manner specified in the relevant Global Note, where applicable against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made either on such Global Note by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

5.4 General provisions applicable to payments

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream,

Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of

the full amount of principal and interest on the Notes in the manner provided above when due;

- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

5.5 Payment Day

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, Payment Day means any day which (subject to Condition 8 (*Prescription*)) is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (i) in the case of Notes in definitive form only, the relevant place of presentation;
 - (ii) each Additional Financial Centre specified in the applicable Final Terms; and
- (b) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET 2 System is open.

5.6 Interpretation of principal and interest

Any reference in the Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 7 (*Taxation*);
- (b) the Final Redemption Amount of the Notes;
- (c) the Early Redemption Amount of the Notes;
- (d) the Optional Redemption Amount(s) (if any) of the Notes;
- (e) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 6.5 (*Early Redemption Amounts*)); and
- (f) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in the Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7 (*Taxation*).

6. REDEMPTION AND PURCHASE

6.1 Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms or, in the case of each Note which is an Inflation Linked Redemption Note, determined in accordance with Condition 6.10 (*Calculation of Inflation Linked Redemption*) in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

See Condition 6.9 (*Redemption of Inflation Linked Notes*) and Condition 6.10 (*Calculation of Inflation Linked Redemption*) in relation to each Note which is an Inflation Linked Redemption Note.

6.2 Redemption for tax reasons

Subject to Condition 6.5 (*Early Redemption Amounts*), the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is neither a Floating Rate Note nor an Inflation Linked Interest Note) or on any Interest Payment Date (if this Note is a Floating Rate Note or an Inflation Linked Interest Note), on giving not less than 30 nor more than 60 days' notice to the Agent and, in accordance with Condition 13 (*Notices*), the Noteholders (which notice shall be irrevocable), if:

- (a) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of the Tax Jurisdiction (as defined in Condition 7 (*Taxation*)) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and
- (b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent to make available at its specified office to the Noteholders (i) a certificate signed by two officers of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

Notes redeemed pursuant to this Condition 6.2 (*Redemption for tax reasons*) will be redeemed at their Early Redemption Amount referred to in paragraph 6.5 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

6.3 Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may, having given not less than the minimum period nor more than the maximum period of notice specified in applicable Final Terms to the Noteholders in accordance with Condition 13 (*Notices*) (which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if

appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount in each case as may be specified in the applicable Final Terms.

The Optional Redemption Amount will either be the specified percentage of the nominal amount of the Notes stated in the applicable Final Terms or, if Make-Whole Amount is specified in the applicable Final Terms, will be an amount calculated by the Agent equal to the higher of:

- (a) 100 per cent. of the principal amount of the Note to be redeemed; or
- (b) as determined by the Reference Dealers (as defined below), the sum of the then current values of the remaining scheduled payments of principal and interest (not including any interest accrued on the Notes to, but excluding, the Optional Redemption Date) discounted to the Optional Redemption Date on an annual basis (based on the actual number of days elapsed divided by 365 or (in the case of a leap year) by 366) at the Reference Bond Rate (as defined below) plus the Redemption Margin,

plus, in each case, any interest accrued on the Notes to, but excluding, the Optional Redemption Date.

As used in this Condition 6.3:

“**Redemption Margin**” shall be as set out in the applicable Final Terms;

“**Reference Bond**” shall be as set out in the applicable Final Terms;

“**Reference Dealers**” shall be as set out in the applicable Final Terms; and

“**Reference Dealer Rate**” means with respect to the Reference Dealers and the Optional Redemption Date, the average of the five quotations of the mid-market annual yield to maturity of the Reference Bond or, if the Reference Bond is no longer outstanding, a similar security in the reasonable judgement of the Reference Dealers at 11.00 a.m. London time on the third business day in London preceding the Optional Redemption Date quoted in writing to the Issuer by the Reference Dealers.

In the case of a partial redemption of Notes, the Notes to be redeemed (“**Redeemed Notes**”) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the “**Selection Date**”). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 (*Notices*) not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 6.3 and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 13 (*Notices*) at least five days prior to the Selection Date.

6.4 Redemption at the option of the Noteholders (Investor Put)

If Investor Put is specified as being applicable in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 13 (*Notices*) not less than the minimum period nor more than the maximum period of notice specified in the applicable

Final Terms, the Issuer will, upon the expiry of such notice, redeem such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a “**Put Notice**”) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control. If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depository or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg given by a holder of any Note pursuant to this Condition 6.4 shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and is continuing, in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 6.4 and instead to declare such Note forthwith due and payable pursuant to Condition 9 (*Events of Default*).

6.5 Early Redemption Amounts

For the purpose of Condition 4.3 (*Inflation Linked Note Provisions*), Condition 6.2 (*Redemption for tax reasons*) above and Condition 9 (*Events of Default*), each Note will be redeemed at its Early Redemption Amount calculated as follows:

- (a) in the case of a Note with a Final Redemption Amount equal to the Issue Price of the first Tranche of the Series, at the Final Redemption Amount thereof;
- (b) in the case of a Note (other than a Zero Coupon Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price of the first Tranche of the Series, at the amount specified in the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at its nominal amount; or
- (c) in the case of a Zero Coupon Note, at an amount (the “**Amortised Face Amount**”) calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

RP means the Reference Price;

AY means the Accrual Yield expressed as a decimal; and

y is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the

Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365); or

- (d) in the case of an Inflation Linked Interest Note and/or an Inflation Linked Redemption Note, at an amount calculated in accordance with Condition 6.9 (*Redemption of Inflation Linked Notes*) and Condition 6.10 (*Calculation of Inflation Linked Redemption*).

6.6 Purchases

The Issuer or any Subsidiary of the Issuer may at any time purchase Notes (*provided that*, in the case of definitive Notes, all unmatured Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. All Notes so purchased will be surrendered to a Paying Agent for cancellation.

6.7 Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to Condition 6.6 above (Purchases) above (together with all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

6.8 Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 6.1, 6.2, 6.3 or 6.4 above or upon its becoming due and repayable as provided in Condition 9 (*Events of Default*) is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 6.5(c) above (Redemption and Purchase - Early Redemption Amounts) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13 (*Notices*).

6.9 Redemption of Inflation Linked Notes

In respect of Inflation Linked Notes, the Calculation Agent will calculate such Final Redemption Amount or Early Redemption Amount (as the case may be) promptly after each time such amount is capable of being determined and will notify the Agent thereof promptly after calculating the same. The Agent will promptly thereafter notify the Issuer and any stock exchange on which the Notes are for the time being listed thereof and cause notice thereof to be published in accordance with Condition 13 (*Notices*).

6.10 Calculation of Inflation Linked Redemption

The Final Redemption Amount payable in respect of each Note that is an Inflation Linked Redemption Note shall be determined by the Calculation Agent on the Redemption Determination Date (utilising the DIR(*T*) value applicable to the Final Redemption Amount) in accordance with the following formula:

$$\text{Final Redemption Amount} = \text{Specified Denomination} * \text{Max} \left[100\%; [\text{Redemption Amount Multiplier}] * \left(\frac{\text{DIR}(T)}{\text{DIR}(0)} \right) \right]$$

The result of DIR(*T*) divided by DIR(0) shall be rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards and the Final Redemption Amount shall be rounded (if necessary) to the nearest euro cent with half a euro cent being rounded upwards.

The Early Redemption Amount payable in respect of each Note that is an Inflation Linked Interest Note or an Inflation Linked Redemption Note shall be the sum of (i) a principal amount determined by the Calculation Agent promptly after the time the Early Redemption Amount is capable of being determined in accordance with the formula set out above, *provided that* the reference to “**Final Redemption Amount**” shall be replaced by a reference to “**Early Redemption Amount**” and the DIR(*T*) value applicable to the Early Redemption Amount shall be utilised; and (ii) interest accrued but unpaid in respect of the period from, and including, the most recent Interest Payment Date to, but excluding, the date for redemption of the Notes where the Rate of Interest for such period shall be calculated in accordance with the applicable Final Terms.

Defined terms used in this Condition shall have the same meanings as set out in Condition 4.2(C) (*Interest - Interest on Floating Rate Notes and Inflation Linked Interest Notes - Rate of Interest - Inflation Linked Interest Notes*) *provided that*, DIR(*T*) means the value of the Inflation Index for (i) in the case of the calculation of the Final Redemption Amount, the Maturity Date and (ii) in the case of the calculation of the Early Redemption Amount, the date for redemption of the Notes, in each case calculated in accordance with the following formula where month “*t*” is the month and year of the Maturity Date in the case of (i) above and the month and year in which the date for redemption falls in the case of (ii) above:

$$\text{DIR}(t) = \text{Inflation Index}(t - \text{Lookback Period 1}) + [\text{Inflation Index}(t - \text{Lookback Period 2}) - \text{Inflation Index}(t - \text{Lookback Period 1})] * [\text{DayOfMonth} - 1] / \text{DaysInMonth}$$

Rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards

If the date for redemption occurs prior to the first Interest Payment Date, a *pro rata* proportion of an amount equal to the product of the Initial Ratio Amount multiplied by DIR(*T*)/DIR(0) shall be added to the relevant Interest Amount (in respect of the period from and including the Interest Commencement Date to but excluding the date of redemption of the Notes) (such sum shall be rounded (if necessary) to the nearest euro cent with half a euro cent being rounded upwards).

“**Redemption Amount Multiplier**” has the meaning given to it in the applicable Final Terms, *provided that* if Redemption Amount Multiplier is specified as “Not Applicable”, the Redemption Amount Multiplier shall be deduced to be equal to 100 per cent.

The provisions of Condition 4.3 (*Inflation Linked Note Provisions*) shall apply *mutatis mutandis*.

7. TAXATION

All payments of principal and interest in respect of the Notes and Coupons by or on behalf of the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of any Tax

Jurisdiction unless such withholding or deduction is required by law. In such event, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note or Coupon:

- (a) in relation to any payment or deduction of any interest, principal or other proceeds of any Note or Coupon, presented for payment in the Republic of Italy; or
- (b) the holder of which is liable for such taxes or duties in respect of such Note or Coupon by reason of his having some connection with a Tax Jurisdiction other than the mere holding of such Note or Coupon; or
- (c) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such 30th day assuming that day to have been a Payment Day (as defined in Condition 5.5 (*Payment Day*)); or
- (d) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by making a declaration or any other statement, including but not limited to, a declaration of residence or non-residence, but fails to do so; or
- (e) where such withholding or deduction is imposed on a payment to an individual or “residual entities” within the meaning of Council Directive 2003/48/EC and is required to be made pursuant to Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council Meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (f) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent in a Member State of the European Union; or
- (g) in relation to any payment or deduction of any interest, principal or other proceeds of any Notes or Coupons on account of *imposta sostitutiva* pursuant to Italian Legislative Decree No. 239 of 1 April 1996 or future similar law and any related implementing regulations (each as amended or supplemented from time to time); or
- (h) in the event of payment to a non-Italian resident legal entity or a non-Italian resident individual, to the extent that interest or other amounts are paid to a non-Italian resident legal entity or a non-Italian resident individual which is resident in a country which does not allow for a satisfactory exchange of information with the Republic of Italy.

As used herein:

- i. “**Tax Jurisdiction**” means the Republic of Italy or any political subdivision or any authority thereof or therein having power to tax or any other jurisdiction or any political subdivision or any authority thereof or therein having power to tax to which the Issuer becomes subject by reason of its tax residence or a permanent establishment maintained therein in respect of payments made by it of principal and interest on the Notes and Coupons; and
- ii. the “**Relevant Date**” means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of

such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 13 (*Notices*).

8. PRESCRIPTION

The Notes and Coupons will become void unless claims in respect of principal and/or interest are made within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7 (*Taxation*)) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5.2 (*Presentation of definitive Notes and Coupons*) or any Talon which would be void pursuant to Condition 5.2 (*Presentation of definitive Notes and Coupons*).

9. EVENTS OF DEFAULT

9.1 Events of Default

If any one or more of the following events (each an “**Event of Default**”) shall occur and be continuing:

- (a) if default is made in the payment in the Specified Currency of any principal or interest due in respect of the Notes or any of them and the default continues for a period of 14 days; or
- (b) if the Issuer fails to perform or observe any of its other obligations under these Conditions and (except in any case where the failure is incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 45 days next following the service by a Noteholder on the Issuer of notice requiring the same to be remedied; or
- (c) if any Indebtedness for Borrowed Money of the Issuer or any of its Material Subsidiaries becomes due and repayable prematurely by reason of an event of default (however described), or the Issuer or any of its Material Subsidiaries fails to make any payment in respect of any Indebtedness for Borrowed Money on the due date for payment (as extended by any originally applicable grace period) or default is made by the Issuer or any of its Material Subsidiaries in making any payment due under any guarantee and/or indemnity given by it in relation to any Indebtedness for Borrowed Money of any other person (as extended by any originally applicable grace period), *provided that* no such event shall constitute an Event of Default unless the aggregate Indebtedness for Borrowed Money relating to all such events which shall have occurred and be continuing shall exceed at any time €100,000,000 (or its equivalent in any other currency); or
- (d) any Security (other than any Security securing Project Finance Indebtedness or Indebtedness for Borrowed Money incurred in the circumstances described in the definition of Project Finance Indebtedness as if such definition referred to Indebtedness for Borrowed Money), present or future, created or assumed on or against all or a material part of the property, assets or revenues of the Issuer, becomes enforceable and any step is taken to enforce it (including the taking of possession or the appointment of a receiver, manager or other similar person) which is not contested in good faith by all appropriate means or discharged or cancelled within 60 days of such enforcement; or
- (e) if any order is made by any competent court or resolution passed for the liquidation, winding up or dissolution (*scioglimento o liquidazione*) of the Issuer or any of its Material Subsidiaries and such order or resolution is not discharged or cancelled within 60 days, save for the purposes of (i) a solvent amalgamation, merger,

de-merger or reconstruction (a “**Solvent Reorganisation**”) under which the assets and liabilities of the Issuer or such Material Subsidiary, as the case may be, are assumed by the entity resulting from such Solvent Reorganisation and (A) such entity continues to carry on substantially the same business of the Issuer or such Material Subsidiary, as the case may be, and (B) in the case of a Solvent Reorganisation of the Issuer, such entity assumes all the obligations of the Issuer in respect of the Notes and the Coupons and an opinion of an independent legal adviser of recognised standing in the Republic of Italy has been delivered to the Agent confirming the same prior to the effective date of such Solvent Reorganisation, or (ii) a reorganisation on terms previously approved by an Extraordinary Resolution; or

- (f) if the Issuer or any of its Material Subsidiaries ceases or announces that it shall cease to carry on the whole or a substantial part of its business, save for the purposes of (i) a Solvent Reorganisation under which the assets and liabilities of the Issuer are assumed by the entity resulting from such Solvent Reorganisation and such entity assumes all the obligations of the Issuer in respect of the Notes and the Coupons and an opinion of an independent legal adviser of recognised standing in the Republic of Italy has been delivered to the Agent confirming the same prior to the effective date of such Solvent Reorganisation, or (ii) a reorganisation on terms previously approved by an Extraordinary Resolution. For the avoidance of doubt, the separation of the Issuer’s gas distribution business by means of the partial and proportional demerger of Snam S.p.A. in favour of the beneficiary company Italgas S.p.A. shall not constitute a cessation of business or otherwise constitute an Event of Default under this Condition 9; or
- (g) if (i) proceedings are initiated against the Issuer or any of its Material Subsidiaries under any applicable insolvency, composition, reorganisation or other similar laws, or an application is made (or documents filed with a court) for the appointment of an administrative or other receiver, manager, administrator or other similar official, or an administrative or other receiver, manager, administrator or other similar official is appointed, in relation to the Issuer or any of its Material Subsidiaries or, as the case may be, in relation to the whole or a substantial part of the undertaking or assets of any of them, or an encumbrancer takes possession of the whole or a substantial part of the undertaking or assets of any of them, or a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against the whole or a substantial part of the undertaking or assets of any of them and (ii) in any case (other than the appointment of an administrator) unless initiated by a member of the Group, is not contested in good faith by all appropriate means or is not discharged within 60 days; or
- (h) if the Issuer or any of its Material Subsidiaries fails to pay a final judgment (*sentenza passata in giudicato*, in the case of a judgment issued by an Italian court) of a court of competent jurisdiction within 60 days from the receipt of a notice that a final judgment in excess of an amount equal to the value of a substantial part of the assets or property of the Issuer or any of its Material Subsidiaries has been entered against it or an execution is levied, enforced upon or sued out against the whole or any substantial part of the assets or property of the Issuer or any of its Material Subsidiaries pursuant to any such judgment (for the purposes of paragraph (g) above and this paragraph (h), a “substantial part” of an entity’s assets or property means a part of the relevant entity’s assets or property which accounts for 30% or more of the relevant entity’s assets or property as determined by reference to the most recently audited consolidated financial statements of the relevant entity); or
- (i) if the Issuer or any of its Material Subsidiaries stops or announces that it shall stop payment of, or is unable to, or admits inability to, pay, its debts (or any class of its debts) as they fall due, or is deemed unable to pay its debts pursuant to or for the

purposes of any applicable law, or is adjudicated or found bankrupt or insolvent, or initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganisation or other similar laws (including the obtaining of a moratorium) or makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors) or any meeting is convened to consider a proposal for an arrangement or composition with its creditors generally (or any class of its creditors) otherwise than for the purposes of a solvent amalgamation, merger, de-merger or reconstruction,

then any holder of a Note may, by written notice to the Issuer at the specified office of the Agent, effective upon the date of receipt thereof by the Agent, declare any Note held by it to be forthwith due and payable whereupon the same shall become forthwith due and payable at its Early Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

9.2 Definitions

For the purposes of the Conditions:

“**Indebtedness for Borrowed Money**” means any present or future indebtedness (whether being principal, premium, interest or other amounts) for or in respect of (i) money borrowed, (ii) liabilities under or in respect of any acceptance or acceptance credit or (iii) any notes, bonds, debentures, debenture stock, loan stock or other securities offered, issued or distributed whether by way of public offer, private placing, acquisition consideration or otherwise and whether issued for cash or in whole or in part for a consideration other than cash.

10. REPLACEMENT OF NOTES, COUPONS AND TALONS

Should any Note, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Coupons or Talons must be surrendered before replacements will be issued.

11. PAYING AGENTS

The names of the initial Paying Agents and their initial specified offices are set out below.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, *provided that*:

- (a) there will at all times be an Agent;
- (b) so long as the Notes are listed on any stock exchange or admitted to trading by any other relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority;
- (c) there will at all times be a Paying Agent in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive; and
- (d) there will at all times be a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5.4 (*General provisions applicable to payments*). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 13 (*Notices*).

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholder or Couponholder. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

12. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8 (*Prescription*).

13. NOTICES

All notices regarding the Notes will be deemed to be validly given if published (a) in a leading English language daily newspaper of general circulation in London, and (b) if and for so long as the Notes are admitted to trading on, and listed on the Official List of, the Luxembourg Stock Exchange, a daily newspaper of general circulation in Luxembourg or the Luxembourg Stock Exchange's website, www.bourse.lu. It is expected that any such publication in a newspaper will be made in the *Financial Times* in London and the *Luxemburger Wort* in Luxembourg. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) or the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Notes on such day as is specified in the applicable Final Terms after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent, and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14. MEETINGS OF NOTEHOLDERS AND MODIFICATION

In accordance with the rules of the Italian Civil Code, the Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes or Coupons or any of the provisions of the Agency Agreement.

All meetings of the Noteholders will be held in accordance with applicable provisions of Italian law in force at the time and, where applicable Italian law so requires, the Issuer's by-laws in force from time to time. In accordance with Article 2415 of the Italian Civil Code, the meeting of Noteholders is empowered to resolve upon the following matters: (i) the appointment and revocation of the Noteholders' Representative, (ii) any amendment to these Conditions, (iii) motions for the composition with creditors (*concordato*) of the relevant Issuer; (iv) establishment of a fund for the expenses necessary for the protection of the common interests of the Noteholders and the related statements of account; and (v) any other matter of common interest to the Noteholders.

Such a meeting may be convened by the Board of Directors of the Issuer or the Noteholders' Representative (as defined below) at their discretion and, in any event, upon the request of any Noteholder(s) holding not less than 5% in nominal amount of the Notes for the time being remaining outstanding. If the meeting has not been convened following such request of the Noteholders, the same may be convened by a decision of the competent court in accordance with the provisions of Article 2367 of the Italian Civil Code. Every such meeting shall be held at a place as provided pursuant to Article 2363 of the Italian Civil Code.

Such a meeting will be validly held if (subject to mandatory laws, legislation, rules and regulations of Italian law in force from time to time and, where applicable Italian law so requires, the Issuer's by-laws in force from time to time) there are one or more persons present being or representing Noteholders holding at least one fifth of the aggregate nominal amount of the Notes for the time being outstanding.

The majority required to pass a resolution at any meeting convened to vote on any resolution will be one or more persons holding or representing at least three fourths of the aggregate nominal amount of the Notes for the time being outstanding represented at the meeting; *provided, however, that* certain proposals (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes or the Coupons) may only be sanctioned by a resolution passed at a meeting (as provided under Article 2415 of the Italian Civil Code) of Noteholders by one or more persons holding or representing not less than one half of the aggregate nominal amount of the Notes for the time being outstanding.

Officers and statutory auditors of the Issuer shall be entitled to attend the Noteholders' meetings but not participate or vote with reference to the Notes held by the Issuer. Any resolution duly passed at any such meeting shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Couponholders.

A representative of the Noteholders (*rappresentante comune*) (the "**Noteholders' Representative**"), subject to applicable provisions of Italian law, is appointed pursuant to Article 2417 of the Italian Civil Code in order to represent the Noteholders' interests under these Conditions and to give effect to resolutions passed at a meeting of the Noteholders. If the Noteholders' Representative is not appointed by a meeting of such Noteholders, the Noteholders' Representative shall be appointed by a decree of the court where the Issuer has its registered office at the request of one or more Noteholders or at the request of the Board of Directors of the Issuer. The Noteholders' Representative shall remain appointed for a maximum period of three years but may be reappointed again thereafter.

In derogation from Article 2415 of the Italian Civil Code, the Agent and the Issuer may agree, without the consent of the Noteholders or Couponholders, to:

- (a) any modification (except such modifications in respect of which an increased quorum is required as mentioned above) of the Notes, the Coupons, the Deed of Covenant or the Agency Agreement which is not prejudicial to the interests of the Noteholders; or
- (b) any modification of the Notes, the Coupons, the Deed of Covenant or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

Any such modification shall be binding on the Noteholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 13 (*Notices*) as soon as practicable thereafter.

15. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and the date from which the interest starts to accrue and so that the same shall be consolidated and form a single Series with the outstanding Notes.

16. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

17. GOVERNING LAW AND SUBMISSION TO JURISDICTION

17.1 Governing law

The Agency Agreement, the Deed of Covenant, the Notes and the Coupons and any non-contractual obligations arising out of or in connection with Agency Agreement, the Deed of Covenant, the Notes and the Coupons, are and shall be governed by, and construed in accordance with, English law.

17.2 Submission to jurisdiction

The Issuer irrevocably agrees, for the benefit of the Noteholders and the Couponholders, that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Notes and/or the Coupons (including a dispute relating to any non-contractual obligations arising out of or in connection with the Notes and/or the Coupons) and accordingly submits to the exclusive jurisdiction of the English courts.

The Issuer waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum. The Noteholders and the Couponholders may take any suit, action or proceedings (together referred to as “**Proceedings**”) arising out of or in connection with the Notes and the Coupons (including any Proceeding relating to any non-contractual obligations arising out of or in connection with the Notes and/or the Coupons) against the Issuer in any other court of competent jurisdiction and concurrent Proceedings in any number of jurisdictions.

17.3 Appointment of Process Agent

The Issuer appoints Laurentia Financial Services Limited at its registered office for the time being as its agent for service of process, and undertakes that, in the event of Laurentia Financial Services Limited ceasing so to act or ceasing to be registered in England, it will

appoint another person as its agent for service of process in England in respect of any Proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

17.4 Other documents

The Issuer has in the Agency Agreement and the Deed of Covenant submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.

Schedule 3

Form of Deed of Covenant

Dated 4 October 2016

Deed of Covenant

€10,000,000,000

Euro Medium Term Note Programme

Snam S.p.A.

as Issuer

This Deed of Covenant is made on 4 October 2016 by Snam S.p.A. (the “**Issuer**”) in favour of the account holders or participants specified below of Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”), Euroclear Bank S.A./N.V. (“**Euroclear**”) and/or any other additional clearing system or systems as is specified in Part B of the Final Terms relating to any Note (as defined below) (each a Clearing System).

Whereas:

- (A) The Issuer has entered into an amended and restated programme agreement (the “**Programme Agreement**”, which expression includes the same as it may be amended, supplemented, novated or restated from time to time) dated 4 October 2016 with the Dealers named in it under which the Issuer proposes from time to time to issue Notes (the “**Notes**”).
- (B) The Issuer has also entered into an amended and restated agency agreement (the “**Agency Agreement**”, which expression includes the same as it may be amended, supplemented, novated or restated from time to time) dated 4 October 2016 between, *inter alia*, the Issuer and BNP Paribas Securities Services, Luxembourg Branch (the “**Agent**”).
- (C) The Notes will initially be represented by, and comprised in, Global Notes (as defined in the Agency Agreement), in each case representing a certain number of underlying Notes (the “**Underlying Notes**”).
- (D) Each Global Note may, after issue, be deposited with a depository for one or more Clearing Systems (together, the “**Relevant Clearing System**”). Upon any deposit of a Global Note the Underlying Notes represented by the Global Note will be credited to a securities account or securities accounts with the Relevant Clearing System. Any account holder with the Relevant Clearing System which has Underlying Notes credited to its securities account from time to time (each a “**Relevant Account Holder**”) will, subject to and in accordance with the terms and conditions and operating procedures or management regulations of the Relevant Clearing System, be entitled to transfer the Underlying Notes and (subject to and upon payment being made by the Issuer to the bearer in accordance with the terms of the relevant Global Note) will be entitled to receive payments from the Relevant Clearing System calculated by reference to the Underlying Notes credited to its securities account.
- (E) In certain circumstances specified in each Global Note, the bearer of the Global Note will have no further rights under the Global Note (but without prejudice to the rights which any person may have pursuant to this Deed of Covenant). The time at which this occurs is referred to as the “**Relevant Time**”. In those circumstances, each Relevant Account Holder will, subject to and in accordance with the terms of this Deed, acquire against the Issuer all those rights which the Relevant Account Holder would have had if, prior to the Relevant Time, duly executed and authenticated Definitive Notes (as defined in the Agency Agreement) had been issued in respect of its Underlying Notes and the Definitive Notes were held and beneficially owned by the Relevant Account Holder.

Now this Deed Witnesses as follows:

1. If at any time the bearer of the Global Note ceases to have rights under it in accordance with its terms, the Issuer covenants with each Relevant Account Holder (other than any Relevant Clearing System which is an account holder of any other Relevant Clearing System) that each Relevant Account Holder shall automatically acquire at the Relevant Time, without the need for any further action on behalf of any person, against the Issuer all those rights which the Relevant Account Holder would have had if at the Relevant Time it held and beneficially owned executed and authenticated Definitive Notes in respect of each Underlying Note represented by the Global Note which the Relevant Account Holder has credited to its securities account with the Relevant Clearing System at the Relevant Time.

The Issuer's obligation under this clause shall be a separate and independent obligation by reference to each Underlying Note which a Relevant Account Holder has credited to its securities account with the Relevant Clearing System and the Issuer agrees that a Relevant Account Holder may assign its rights under this Deed in whole or in part.

2. The records of the Relevant Clearing System shall be conclusive evidence of the identity of the Relevant Account Holders and the number of Underlying Notes credited to the securities account of each Relevant Account Holder. For these purposes a statement issued by the Relevant Clearing System stating:
 - (a) the name of the Relevant Account Holder to which the statement is issued; and
 - (b) the aggregate nominal amount of Underlying Notes credited to the securities account of the Relevant Account Holder as at the opening of business on the first day following the Relevant Time on which the Relevant Clearing System is open for business,

shall be conclusive evidence of the records of the Relevant Clearing System at the Relevant Time.

3. In the event of a dispute, the determination of the Relevant Time by the Relevant Clearing System shall (in the absence of manifest error) be final and conclusive for all purposes in connection with the Relevant Account Holders with securities accounts with the Relevant Clearing System.
4. The Issuer undertakes in favour of each Relevant Account Holder that, in relation to any payment to be made by it under this Deed, it will comply with the provisions of Condition 7 (*Taxation*) to the extent that they apply to any payments in respect of Underlying Notes as if those provisions had been set out in full in this Deed.
5. The Issuer will pay any stamp and other duties and taxes, including interest and penalties, payable on or in connection with the execution of this Deed and any action taken by any Relevant Account Holder to enforce the provisions of this Deed.
6. The Issuer represents, warrants and undertakes with each Relevant Account Holder that it has all corporate power, and has taken all necessary corporate or other steps, to enable it to execute, deliver and perform this Deed, and that this Deed constitutes a legal, valid and binding obligation of the Issuer enforceable in accordance with its terms subject to the laws of bankruptcy and other laws affecting the rights of creditors generally.
7. This Deed shall take effect as a Deed Poll for the benefit of the Relevant Account Holders from time to time. This Deed shall be deposited with and held by the common depository or common safekeeper, as the case may be, for Euroclear and Clearstream, Luxembourg (being at the date of this Deed BNP Paribas Securities Services, Luxembourg Branch at 60, avenue J.F. 8. The Issuer acknowledges the right of every Relevant Account Holder to the production of, and the right of every Relevant Account Holder to obtain (upon payment of a reasonable charge) a copy of, this Deed, and further acknowledges and covenants that the obligations binding upon it contained in this Deed are owed to, and shall be for the account of, each and every Relevant Account Holder, and that each Relevant Account Holder shall be entitled severally to enforce those obligations against the Issuer.
9. If any provision in or obligation under this Deed is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Deed, and (ii) the validity, legality or enforceability

under the law of any other jurisdiction of that or any other provision in or obligation under this Deed.

- 10.** This Deed and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, the laws of England.

The Issuer irrevocably waives any objection which it may have to the laying of the venue of any Proceedings in any such court and any claim that any such Proceedings have been brought in an inconvenient forum and further irrevocably agrees that a judgment in any Proceedings brought in the English courts shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction. Nothing contained in this Clause 10 shall limit any right to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

The Issuer appoints Laurentia Financial Services Limited at its registered office for the time being as its agent for service of process, and undertakes that, in the event of Laurentia Financial Services Limited ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of any Proceedings. Nothing in this Clause 10 shall affect the right to serve process in any other manner permitted by law.

So long as a Voting Certificate or Voting Instruction is valid, the bearer thereof (in the case of a Voting Certificate) or any Proxy named therein (in the case of a Voting Instruction) shall be

Whenever the directors of the Issuer are about to convene any such meeting the Issuer shall forthwith give notice in writing to the holders of the Notes of the day, time and place thereof and of the nature of the business to be transacted thereat. The constitution of meetings and the validity of resolutions thereof shall be governed pursuant to the Italian Civil Code and, as long as the Issuer has its shares listed on a regulated market in Italy or another EU member country, pursuant to the Italian Financial Act and the Issuer's by-laws in force from time to time. Italian law and the Issuer's by-laws currently provide that (subject as provided below) one or more persons present holding Notes in definitive form or voting certificates or being proxies and holding or representing in the aggregate at least one-fifth of the principal amount of the Notes for the time being outstanding or such other majority as may be provided for in the Issuer's by-laws shall form a quorum for the transaction of business and no business (other than the choosing of a Chairman) shall be transacted at any meeting unless the requisite quorum is present at the commencement of the relevant business.

Depending on the applicable provisions of Italian law and the

Issuer's by-laws as applicable from time to time, different quorums may be applicable for holding meeting of Noteholders and passing Extraordinary Resolutions.

A poll may be demanded (before or on the declaration of the result of the show of hands) by the Chairman, the Issuer, the Noteholders' Representative or any Eligible Voter (whatever the amount of the Notes so held or represented by him).
12. At any meeting, unless a poll is duly demanded, a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
13. Subject to paragraph 14 below, if at any such meeting a poll is so demanded it shall be taken in such manner and, subject as hereinafter provided, either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
14. The Chairman may, with the consent of (and shall if directed by) any such meeting, adjourn the same from time to time and from place to place; but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.

Save as aforesaid, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting unless he is an Eligible Voter. No person shall be entitled to vote at any meeting in respect of Notes which are deemed to be not outstanding by virtue of the proviso to the definition of "**outstanding**" in clause 1 of the Agency Agreement.

Without prejudice to the obligations of the proxies named in any Voting Instruction, any Eligible Voter entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

18. The proxies named in any Voting Instruction need not be Noteholders. Nothing herein shall prevent any of the proxies named in any Voting Instruction from being a director, officer or representative of or otherwise connected with the Issuer.
19. A meeting shall subject to the Conditions, in addition to the powers hereinbefore given, have the following powers, by Extraordinary Resolution (subject to the provisions relating to quorum and majorities contained in paragraph 8 above) namely:

 - (i) Power to approve the substitution of any entity for the Issuer (or any previous substitute) as principal debtor under these presents save for a Solvent Reorganisation of the Issuer adopted or implemented pursuant to any mandatory provisions of law.

22.

(a) If and whenever the Issuer has issued and has outstanding Notes of more than one Series, the foregoing provisions of this Schedule 5 shall have effect subject to the following modifications:

(i) a resolution which affects the Notes of only one Series shall be deemed to have been duly passed if passed at a separate meeting of the holders of the Notes of that Series;

(ii) a resolution which affects the Notes of more than one Series but does not give rise to a conflict of interest between the holders of Notes of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Notes of all the Series so affected;

(iii) a resolution which affects the Notes of more than one Series and gives or may give rise to a conflict of interest between the holders of the Notes of one Series or group of Series so affected and the holders of the Notes of another Series or group of Series so affected shall be deemed to have been duly passed only if passed at separate meetings of the holders of the Notes of each Series or group of Series so affected; and

(iv) to all such meetings all the preceding provisions of this Schedule 5 shall *mutatis mutandis* apply as though references therein to Notes and Noteholders were references to the Notes of the Series or group of Series in question or to the holders of such Notes, as the case may be.

(b) If the Issuer has issued and has outstanding Notes which are not denominated in euro, or in the case of any meeting of the holders of Notes of more than one currency, the nominal amount of such Notes shall:

(i) for the purposes of paragraph 5, be the equivalent in euro at the spot rate of a bank nominated by the Agent for the conversion of the relevant currency or currencies into euro on the seventh dealing day prior to the day on which the requisition in writing is received by the Issuer; and

(ii) for the purposes of paragraphs 5, 8 and 16 (whether in respect of the meeting or any poll resulting therefrom), be the equivalent at such spot rate on the seventh dealing day prior to the day of such meeting.

In such circumstances, on any poll each person present shall have one vote for each €1.00 in the nominal amount of the Notes (converted as above) which he holds or represents.

23. All the provisions set out in this Schedule 5 are subject to compliance with the laws, legislation, rules and regulations of the Republic of Italy in force from time to time.
24. For the avoidance of doubt, any appointment in accordance with the Conditions and applicable Italian law of a Noteholders' Representative in respect of a Series of Notes shall also be effective without any further formality in respect of any further Tranches of Notes of such Series issued in accordance with Condition 15 (*Further Issues*).

Schedule 6

Form of Global and Definitive Notes and Coupons and Talons

Part 1

Form of Temporary Global Note

Snam S.p.A.

Temporary Global Note

This Global Note is a Temporary Global Note in respect of a duly authorised issue of Notes (the “Notes”) of Snam S.p.A. (the “Issuer”) described, and having the provisions specified, in Part A of the attached Final Terms (the “Final Terms”). References in this Global Note to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 2 to the Agency Agreement (as defined below) as completed by the information set out in the Final Terms and but in the event of any conflict between the provisions of (a) that Schedule or (b) this Global Note and the information set out in the Final Terms, the Final Terms will prevail.

Words and expressions defined or set out in the Conditions and/or the Final Terms shall have the same meaning when used in this Global Note.

This Global Note is issued subject to, and with the benefit of, the Conditions and an amended and restated agency agreement (the “Agency Agreement”, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented, novated or restated from time to time) dated 4 October 2016 and made between the Issuer, BNP Paribas Securities Services, Luxembourg Branch (the “Agent”) and the other agents named in it.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay to the bearer of this Global Note on each Instalment Date (if the Notes are repayable in instalments) and on the Maturity Date (if any) and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions, the amount payable under the Conditions in respect of the Notes represented by this Global Note on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms indicates that this Global Note is not intended to be a New Global Note) presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes, but in each case subject to the requirements as to certification provided below.

If the Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. and Clearstream Banking, société anonyme (together, the “relevant Clearing Systems”). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer’s interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Notes represented by this Global Note at any time (which statement shall be made available to the bearer upon request) shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the aggregate nominal amount stated in the Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2, 3 or 4 of Schedule One or in Schedule Two.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled or by the aggregate amount of such instalment so paid; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment or purchase and cancellation, the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled or by the amount of such instalment so paid.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Prior to the Exchange Date (as defined below), all payments (if any) on this Global Note will only be made to the bearer hereof to the extent that there is presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a particular nominal amount of the Notes (as shown by its records) a certificate of non-US beneficial ownership in the form required by it. The bearer of this Global Note will not be entitled to receive any payment of interest due on or after the Exchange Date unless upon due certification exchange of this Global Note is improperly withheld or refused.

On or after the date (the "**Exchange Date**") which is 40 days after the Issue Date, this Global Note may be exchanged in whole or in part (free of charge) for, as specified in the Final Terms, either:

- (a) security printed Definitive Notes and (if applicable) Coupons and Talons in the form set out in Part 3, Part 4, Part 5 and Part 6 respectively of Schedule 6 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons and Talons and the Final Terms (or the relevant provisions of the Final Terms) have been endorsed on or attached to such Definitive Notes); or
- (b) either, (i) if the Final Terms indicates that this Global Note is intended to be a New Global Note, interests recorded in the records of the relevant Clearing Systems in a Permanent Global Note, or (ii) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, a Permanent Global Note, which, in either case, is in or substantially in the form set out in Part 2 of Schedule 6 to the Agency Agreement (together with the Final Terms attached to it),

in each case upon notice being given by a relevant Clearing System acting on the instructions of any holder of an interest in this Global Note.

If Definitive Notes and (if applicable) Coupons and/or Talons have already been issued in exchange for all the Notes represented for the time being by the Permanent Global Note, then this Global Note may only thereafter be exchanged for Definitive Notes and (if applicable) Coupons and/or Talons in accordance with the terms of this Global Note.

This Global Note may be exchanged by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for general business in Luxembourg. The Issuer shall procure that,

as appropriate, (i) the Definitive Notes or (as the case may be) the Permanent Global Note (where the Final Terms indicates that this Global Note is not intended to be a New Global Note), shall be so issued and delivered, or (ii) the interests in the Permanent Global Note (where the Final Terms indicates that this Global Note is intended to be a New Global Note) shall be recorded in the records of the relevant Clearing System, in each case in exchange for only that portion of this Global Note in respect of which there shall have been presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes (as shown by its records) a certificate of non-US beneficial ownership from such person in the form required by it. The aggregate nominal amount of Definitive Notes or interests in a Permanent Global Note issued upon an exchange of this Global Note will, subject to the terms hereof, be equal to the aggregate nominal amount of this Global Note submitted by the bearer for exchange (to the extent that such nominal amount does not exceed the aggregate nominal amount of this Global Note).

On an exchange of the whole of this Global Note, this Global Note shall be surrendered to or to the order of the Agent. On an exchange of part only of this Global Note, the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered *pro rata* in the records of the relevant Clearing Systems; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount so exchanged. On any exchange of this Global Note for a Permanent Global Note, details of such exchange shall also be entered by or on behalf of the Issuer in Schedule Two to the Permanent Global Note and the relevant space in Schedule Two to the Permanent Global Note recording such exchange shall be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Global Note, the bearer of this Global Note shall in all respects (except as otherwise provided in this Global Note) be entitled to the same benefits as if he were the bearer of Definitive Notes and the relative Coupons and/or Talons (if any) represented by this Global Note. Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the holder of this Global Note as the absolute owner of this Global Note for all purposes.

In the event that this Global Note (or any part of it) has become due and repayable in accordance with the Conditions or that the Maturity Date (if any) has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above then from 8.00 p.m. (London time) on such day each Noteholder will become entitled to proceed directly against the Issuer on, and subject to, the terms of the Deed of Covenant executed by the Issuer on 4 October 2016 in respect of the Notes and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under the Deed of Covenant).

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

If any provision in or obligation under this Global Note is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Global Note, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Global Note.

This Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by the Agent and, if the Final Terms indicates that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

In witness whereof the Issuer has caused this Global Note to be duly executed on its behalf.

Part 2
Form of Permanent Global Note

Any United States Person who Holds this Obligation will be Subject to Limitations under the United States Income Tax Laws Including the Limitations Provided in Sections 165(J) and 1287(A) of the Internal Revenue Code.

Snam S.p.A.

Permanent Global Note

This Global Note is a Permanent Global Note in respect of a duly authorised issue of Notes (the “Notes”) of Snam S.p.A. (the “Issuer”) described, and having the provisions specified, in Part A of the attached Final Terms (the “Final Terms”). References in this Global Note to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 2 to the Agency Agreement (as defined below) as completed by the information set out in the Final Terms and as may be modified and supplemented by the information set out in the Final Terms, but in the event of any conflict between the provisions of (a) that Schedule or (b) this Global Note and the information set out in the Final Terms, the Final Terms will prevail.

Words and expressions defined or set out in the Conditions and/or the Final Terms shall have the same meaning when used in this Global Note.

This Global Note is issued subject to, and with the benefit of, the Conditions and an amended and restated agency agreement (the “Agency Agreement”, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented, novated or restated from time to time) dated 4 October 2016 and made between the Issuer, BNP Paribas Securities Services, Luxembourg Branch (the “Agent”) and the other agents named in it.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay to the bearer of this Global Note on each Instalment Date (if the Notes are repayable in instalments) and on the Maturity Date (if any) and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions, the amount payable under the Conditions in respect of the Notes represented by this Global Note on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms indicates that this Global Note is not intended to be a New Global Note) presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes.

If the Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. and Clearstream Banking, société anonyme (together, the “relevant Clearing Systems”). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer’s interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Notes represented by this Global Note at any time (which statement shall be made available to the bearer upon request) shall be conclusive evidence of the records of the relevant Clearing System at that time. If the Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the aggregate nominal amount stated in the Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2, 3 or 4 of Schedule One or in Schedule Two.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note, the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled or by the aggregate amount of such instalment so paid; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment or purchase and cancellation, the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled or by the amount of such instalment so paid.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Where the Notes have initially been represented by one or more Temporary Global Notes, on any exchange of any such Temporary Global Note for this Global Note or any part of it:

- (a) the Issuer shall procure that if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered in the records of the relevant Clearing Systems; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording any such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of the Notes represented by this Global Note shall be increased by the nominal amount of any such Temporary Global Note so exchanged.

In certain circumstances further notes may be issued which are intended on issue to be consolidated and form a single Series with the Notes. In such circumstances the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such further notes shall be entered in the records of the relevant Clearing Systems such that the nominal amount of Notes represented by this Global Note shall be increased by the amount of such further notes so issued; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such further notes shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such further notes shall be signed by or on behalf of the Issuer, whereupon the nominal amount of the Notes represented by this Global Note shall be increased by the nominal amount of any such further notes so issued

This Global Note may be exchanged in whole but not in part (free of charge) for security printed Definitive Notes and (if applicable) Coupons and/or Talons in the form set out in Part 3, Part 4, Part 5 and Part 6 respectively of Schedule 6 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons and Talons and the Final Terms (or the relevant provisions of the Final Terms) have been endorsed on or attached to such Definitive Notes) either, as specified in the Final Terms:

- (a) upon not less than 60 days' written notice being given to the Agent by Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in this Global Note; or
- (b) only upon the occurrence of an Exchange Event.

An “**Exchange Event**” means:

- (i) an Event of Default (as defined in Condition 9 (*Events of Default*)) has occurred and is continuing; or
- (ii) the Issuer has been notified that both the relevant Clearing Systems have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available.

If this Global Note is only exchangeable following the occurrence of an Exchange Event:

- (i) the Issuer will promptly give notice to Noteholders in accordance with Condition 13 (*Notices*) upon the occurrence of an Exchange Event; and
- (ii) in the event of the occurrence of any Exchange Event, one or more of the relevant Clearing Systems acting on the instructions of any holder of an interest in this Global Note may give notice to the Agent requesting exchange.

Any such exchange shall occur no later than 45 days after the date of receipt of the first relevant notice by the Agent and will be made on any day (other than a Saturday or Sunday) on which banks are open for general business in Luxembourg. The aggregate nominal amount of Definitive Notes issued upon an exchange of this Global Note will be equal to the aggregate nominal amount of this Global Note at the time of such exchange.

On an exchange of this Global Note, this Global Note shall be surrendered to or to the order of the Agent.

Until the exchange of this Global Note, the bearer of this Global Note shall in all respects (except as otherwise provided in this Global Note) be entitled to the same benefits as if he were the bearer of Definitive Notes and the relative Coupons and/or Talons (if any) represented by this Global Note. Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the holder of this Global Note as the absolute owner of this Global Note for all purposes.

In the event that (a) this Global Note (or any part of it) has become due and repayable in accordance with the Conditions or that the Maturity Date (if any) has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above, or (b) following an Exchange Event or as otherwise provided in this Global Note, this Global Note is not duly exchanged for definitive Notes by the day provided above, then from 8.00 p.m. (London time) on such day each Noteholder will become entitled to proceed directly against the Issuer on, and subject to, the terms of the Deed of Covenant executed by the Issuer on 4 October 2016 in respect of the Notes and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under the Deed of Covenant).

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

If any provision in or obligation under this Global Note is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Global Note, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Global Note.

This Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by the Agent and, if the Final Terms indicates that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

In witness whereof the Issuer has caused this Global Note to be duly executed on its behalf.
