

YEAR 2011 TARIFFS

- **Year 2011 transport tariffs approved**
- **2009 year end RAB for the transport business: € 13.1 billion**

San Donato Milanese, December 3, 2010 – The Regulatory Authority for Electricity and Gas has approved the tariffs for 2011, through resolution ARG/gas no. 218/10.

Transport, dispatching and metering tariffs for 2011 have been set on the basis of the reference revenue, net of transport on behalf of third parties, at 1,817 million euro (of which 113 million euro of revenue is related to incentives for development investments and 36 million euro of revenue is related to the balancing of the system).

Actual revenue for 2011 will also take into account the growth of transported volumes compared to the reference volume set at 75.7 bcm.

Furthermore, the amount to cover the extra costs for fuel gas for the period October 1st 2008 – December 31st 2009 has been set at 54.9 million euro.

RAB at 31 December 2009 for the transport, dispatching and metering business has been set at €13.1 billion.
